**Contract #TRIPS-22-CA-MB-LF-ABC
Standard Cutaway and Minibus Chassis
Type Transit Vehicles**

CONTRACT #TRIPS-22-CA-MB-LF-ABC

**ORDER PACKET FOR
ABC Bus, Inc.**

General Information

The Transit Research Inspection Procurement Services Program (TRIPS) issued Proposal #TRIPS-22-CA-MB-LF-RFP to establish a series of state contracts for the purchase of cutaways, minibuses, and low floor cutaway vehicles. Through this process contracts were awarded to five (5) different Contractors, each representing a vehicle manufacturer.

This Order Packet contains the necessary instructions and forms for Purchasers to place an order with ABC Bus, Inc. to purchase these vehicles. This Order Packet also provides guidance and clarity on the relationships between the Contractor, the Purchaser, and Florida DOT's TRIPS program.

The complete Contract #TRIPS-22-CA-MB-LF-ABC is accessible from the TRIPS website at <http://tripsflorida.org> and contains the following sections:

- **General Requirements:** Terms, Conditions and Contractual Provisions
- **Exhibit 1 - Part 1:** Technical Specifications
- **Exhibit 1 - Part 2:** Quality Assurance Provisions
- **Exhibit 1 - Part 3:** Warranty Provisions

Procedures for Ordering

The following sections provide guidance to be used by the Contractor and the Purchasers in the ordering, delivery, acceptance and payment for vehicles procured under this contract. All parties are advised to fully review the full contract document available on the TRIPS website. Contract #TRIPS-22-CA-MB-LF-ABC will be the governing document.

Purchasers should understand that each order placed with and acknowledged by ABC Bus, Inc., Inc. constitutes a contract between the Purchaser and ABC Bus, Inc. only. The contract implies no duties or responsibilities by the University of South Florida, Center for Urban Transportation Research, or the Florida Department of Transportation. The terms and conditions of this contract are to be administered and enforced by and between the Purchaser and the Contractor.

Purchasers must utilize the order forms in this Order Packet to place their orders. Purchasers are encouraged to contact and work closely with ABC Bus, Inc. in finalizing their orders, to fully understand the options available, to select the floor plans and seating selections, the paint schemes, and any special options or conditions that may impact the final order and purchase price. Please submit a separate order form for each type of vehicle ordered.

Detailed instructions for completing the order form can be found here:

https://tripsflorida.org/docs/order_form_instructions.pdf

Most agencies already have an idea on the type and number of seats and wheelchair positions needed to meet their floor plan requirements. Purchasers should work closely with ABC Bus, Inc. to develop and finalize their floor layout plans. Based upon this consultation, ABC Bus, Inc. will develop a proposed floor plan based on the Purchaser's needs and transmit a copy of the plan to the Purchaser for verification and approval.

The Order Packet also includes illustrations of the basic vehicle paint schemes and a description of the available options to assist the Purchaser in completing their orders.

Included in this Order Packet are the following forms and information:

- Order Form that provides:
 - Base vehicle prices
 - Unit seating and wheelchair station prices
 - Paint scheme options and prices
 - Individual options and prices
- Description of Options
- Available Paint Schemes

Please submit a separate order form for each type vehicle ordered. After determining the length of bus, floor plan, paint scheme and desired individual options, complete the order form by inserting the quantity for each line item. The order form is set up to automatically calculate totals and grand totals. The grand total will be the figure used on the Purchaser's purchase order.

For all vehicle purchases NOT funded in part by the FTA Section 5310, 5311, or 5339 grant program, the Purchaser deals directly with ABC Bus, Inc. Once the details of the order are finalized, the Purchaser's purchase order must accompany all orders.

For all vehicle purchases funded in part by the FTA Section 5310, 5311, or 5339 grant program, a copy of the completed order form and the Purchaser purchase order for the total cost payable to ABC Bus, Inc. must be emailed with the order form , or mailed to the TRIPS Assistant Program Manager:

Ms. Lazara Stinnette
TRIPS Assistant Program Manager USF-CUTR
4202 E. Fowler Avenue – ENG 030 Tampa, Florida 33620
Telephone: 813.974.0695
[Email: lstinnette@usf.edu](mailto:lstinnette@usf.edu)

The TRIPS Assistant Program Manager will verify the order accuracy, and forward the order request to Tallahassee for the FDOT review and PTGA process. When the FDOT PTGA is fully executed, the TRIPS Assistant Program Manager will place the order with ABC Bus, Inc. and notify the Purchaser of its status.

ABC Bus, Inc. will provide written confirmation to the Purchaser and/or CUTR of the receipt of the order within seventy-two (72) hours of receiving the order with the agency purchase order. At a minimum, the acknowledgement of the order will contain:

1. The Purchaser's purchase order number
2. The date the order was received
3. The date the order was placed with the manufacturer
4. The production and VIN number when available
5. The estimated delivery date (when available)

DELIVERY

Completed units, for orders of zero to ten (0-10) are to be delivered to Purchaser within one hundred fifty (150) days from receipt of chassis/assignment of VIN or purchase order, whichever occurs last. Completed units, for orders of eleven (11) or more will be agreed upon at the time of completion of the Order Packet ("**Exhibit 8**") and documented on the Order Concurrence Form.

In the event of delay in completion of the delivery of vehicles beyond the date specified in the contract, in addition to any granted extensions agreed to in writing by the Purchaser, the Purchaser may assess as liquidated damages, twenty-five dollars (\$25.00) per calendar day per vehicle.

Each vehicle purchased through the TRIPS shall be routed to the FDOT's Springhill Inspection Facility, located in Tallahassee, Florida, for an inspection prior to delivery to ABC Bus, Inc.

ABC Bus, Inc. should ensure that all noted write-ups are corrected prior to final delivery to the Purchaser. This inspection by the TRIPS is not represented as being "all inclusive" and in no way relieves the dealer from the required Pre-Delivery Inspection (PDI).

Prior to the vehicle(s) being delivered, ABC Bus, Inc. must perform a PDI. Upon completion of a PDI, ABC Bus, Inc. will be required to deliver the vehicles to the Purchaser. The dealer shall notify both the Purchaser and the FDOT District Office a minimum of 48 hours in advance to arrange a delivery time.

The vehicle shall be delivered with all Contractor/Manufacturer's quality control checklists including road test and final inspection (properly completed and signed by an authorized plant representative). Other documents/items required at delivery include:

- Copy of Manufacturer's Certificate of Origin
- Application for Certificate of Title
- Bill of Sale
- Warranty Papers (forms, policy, procedures)
- Maintenance Schedule
- Operators' manual
- Invoice (To include contract number, P.O. number, VIN#, and agency name)

FINAL ACCEPTANCE

Delivery of the vehicle(s) by ABC Bus, Inc. does not constitute acceptance by the Purchaser. The vehicle will be considered "accepted" upon passing the inspection and once the Purchaser accepts the vehicle in the vehicle DATACenter. Once accepted, the DATACenter will automatically issue a letter of acceptance to the Dealer and the CUTR staff.

The terms of the contract state that the Purchaser has ten (10) calendar days after receiving the vehicle(s) to perform a Post Delivery Inspection and issue either a "Letter of Acceptance" or a "Letter of Rejection" to ABC Bus, Inc. and the Florida DOT District Office contact. The "Letter of Rejection" will state and describe the areas to be found in noncompliance with the bid specifications, incompleteness, or any defective or damaged parts. Once accepted, the DATACenter will generate and issue a letter of acceptance to the Dealer and the CUTR staff.

A vehicle should be rejected if any items are missing, defective, altered, incorrect, or incomplete. In the event a vehicle(s) is delivered incomplete or contains any defective or damaged parts, the said parts will be removed and replaced by ABC Bus, Inc. New parts will be furnished and installed by ABC Bus, Inc. at no cost to the Purchaser. If there is work involved, warranty or otherwise, to repair or place the vehicle(s) in proper complete condition, such repairs will be made by an approved firm in accordance to the warranty provisions of the contract. Placing the vehicle(s) in revenue service will automatically constitute "acceptance". In such circumstances, a "Letter of Acceptance" should still be issued to ABC Bus, Inc. via the DATACenter. Acceptance of the vehicles shall not release the Contractor from liability for faulty workmanship or materials.

PAYMENT

For vehicles purchased without funding from the FTA Section 5310, 5311 or 5339 grant program, the Purchaser should complete all necessary paperwork and submit its request to process the Purchaser purchase order payment within five (5) days after the delivery and/or acceptance of the vehicle.

For all vehicles funded in part by the FTA Section 5310, 5311, and 5339 grant program, the Purchaser should approve and process its purchase order to allow a check for the total amount to be sent to ABC Bus, Inc. for the total cost of the vehicle. The Purchaser will follow the FDOT PTGA process to request reimbursement for the FDOT share of cost.

The total purchase price should be paid in full within sixty (60) days after acceptance of each vehicle . Purchasers should note that failure to meet the net 60-day payment terms could result in the assessment of interest and other penalties. Terms are those shown in Price Proposal Form E of the contract document. A 2% monthly service charge will be added to all past due accounts.
