Family Times Magazine 24/25 insertion

Hey Water Resources team! Matthew and I have been in communication in regards to him working on a signed insertion order. But to keep my books organized I am sending the invoice for that order with an understanding there's still some steps in progress before this can be paid. I just didn't want this invoice to catch you offguard but I wanted to go ahead and send it with all of my current advertisers just to keep my records on track since I am also the company bookkeeper LOL.
