Estimated Material Cost: \$9,000.00

**Proposal Total: \$20,880.00**

**Pricing & rates specified above are estimates to project completion. Any additional time (days or hours) shall be prorated.**

Daily rate to be expected on 8hr. work day (subjected to USN, NDL dive tables)

The bid price listed above is valid for 90 days from date shown.

Proposals signed and returned to In Depth Inc. are valid for one year from date of acceptance. **NOTE:** All reports will be signed and sealed by (PE) engineer. (if applicable)

**Payment terms:** 1% Ten Days, Net 30 Days. 1.5% interest will be charged on all accounts past 30 days. In Depth Inc. shall not be held liable for any such fees incurred as a result of payments made by credit card or other forms of electronic payment. The total amount due for services or products rendered does not include any processing fees charged by third-party providers, and such fees may be added to the Client's total invoice amount or deducted from the payment received.

This contract is based on a unit price which includes one time mobilization to and from the project site, set-up and breakdown of equipment, preparation for dive and diving services. Diving services will include all work or services specified within this proposals "scope of work". Video documentation or written report maybe provided as an additional cost if not already included in proposed scope of work. All Inspection reports and project data will be emailed or shared electronically. If physical copy of records or reports are required, additional surcharge fee of \$50.00 per report or USB will be applied to final invoice.

**If additional services or repairs are required, the client will need to provided written request for services. This includes any services not already specified in the proposed scope of work, such as; removal of sediment with abnormal consistency (clay, calcium, lime, rocks, pebbles, mud, etc.), excess amount of sediment removal (exceeding 2 inches from floor), wall or vertical surface cleaning, or any miscellaneous repairs / services not already included. Any additional services will be performed at the rate of \$495.00 per hour, plus the cost of any material needed. This rate will also apply to any additional working hours on-site that exceed the 8hr proposed working day or daily rate. If the specified scope of work is required to be performed on a weekend and/or Holiday, an additional \$850.00 surcharge will be applied per day.**

In Depth Inc. will provide all personnel and equipment necessary to perform diving services in the above referenced tank(s) or reservoir(s). We will provide your utility with a written report as well as a narrated color video for the services performed. The tank(s) or reservoir(s) will be cleaned and inspected and meet the requirements according to FL DEP Rule 62-555.350, American Water Works Association (AWWA), NACE, SSPC, ASNT, ACI and AWS standards.

- All divers employed by In Depth Inc. are certified Commercial Divers.
- In Depth Inc. is fully bondable and insured.
- In Depth Inc. is a Certified DBE & MBE Florida Small Business
- All equipment entering the tanks will be disinfected with a minimum of 200 ppm Chlorine.
- Schedule dates are tentative and are subject to change.
- In Depth Inc reserves the right to sub-contract any or all of these services out to another contractor of choice.
- If In Depth Inc. dive team is required to stop working or is delayed working due to unforeseen circumstances or any reasons beyond our control (i.e. no utility personnel on-site, inability to access designated work site, low water level, etc.) a down-time charge of \$495.00 per hour will be charged.
- A fee based on \$495.00 per hour will be charged if we are unable to get our truck and trailer to a tank location. We will use portable dive gear and cleaning equipment to complete the job. Please understand that use of utility vehicles or equipment may be necessary to get our equipment to a tank.
- In Depth Inc. makes every attempt to obtain complete information from customers prior to the presentation of bids concerning fees required for municipal licenses, registration fees, Sales Tax or Use Taxes in your area. These items are identified on your contract. In the event that additional fees are discovered or charged, after the bid has been submitted, these charges will be added to the stated contract amount when billed.
- With client's approval they grant In Depth Inc a non-exclusive, royalty-free license to use any images or likenesses of the Client captured during the service that In Depth Inc provides for promotional and marketing purposes, including but not limited to, use on websites, social media platforms, and email campaigns. Furthermore, the Client consents to being added to In Depth Inc's mailing list to receive promotional communications and updates, in accordance with applicable data privacy regulations unless written non-consent is provided
- Provision for Other Agencies - Unless otherwise stipulated by In Depth Inc, In Depth Inc., agrees to make available to all Government agencies, departments, and municipalities the quoted prices submitted in accordance with said maintenance contract terms and conditions therein, should any said governmental entity desire to buy under this proposal. Eligible Users shall mean all state agencies, legislative and judicial branches, political subdivisions (counties, district school boards, colleges, municipalities, or other public agencies or authorities), which may desire to purchase under the terms and conditions of the contract. The client binding this contract shall not be liable for the obligations of another agency which uses this maintenance contract under this provision.
