**ASSIGNMENT OF TRIPS
AND
AGREEMENT TO PURCHASE IMPACT FEE CREDITS**

THIS ASSIGNMENT OF TRIPS AND AGREEMENT TO PURCHASE IMPACT FEE CREDITS ("Assignment"), effective as of the latest date of execution, is entered into by and between **OCALA TROPHY, LTD., A FLORIDA LIMITED PARTNERSHIP**, whose address for the purposes hereof is P.O. Box 740485, Boynton Beach, Florida 33474-0485 ("**Assignor**") and **42ND STREET FLYOVER, LLC, A FLORIDA LIMITED LIABILITY COMPANY**, whose address for the purposes hereof is 2200 East Fourth Avenue, Hialeah, Florida 33010 ("**Assignee**").

WITNESSETH:

WHEREAS, Assignee is the owner of certain real property located in Marion County, Florida, being more particularly described on **Exhibit "A"** attached hereto and made a part hereof (the "**Property**"); and

WHEREAS, Assignee's predecessors in title acquired the Property from Assignor, and Assignor as the master developer of the Heath Brook Development of Regional Impact ("**DRI**") designated certain Trips (defined below) as vested in the owner of the Property; and

WHEREAS, Assignor and Assignee desire to evidence the vesting of such Trips with respect to the Property to Assignee; and

WHEREAS, Assignor desires to sell, and Assignee desires to purchase, certain Impact Fee Credits (defined below), in the event Assignor still has such Impact Fee Credits available to sell when Assignee is able to use them in connection with the construction of improvements on the Property.

NOW, THEREFORE, for and in consideration of the sum of \$10.00, the sale and purchase of the Property and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. The above recitals are true and correct and incorporated herein by this reference.
2. Assignor hereby assigns or otherwise confirms the prior Assignment to Assignee as the owner of the Property and for the use and benefit of the Property:

a. All of Assignor's rights and interest in and to no more than five hundred ninety-two (592) single-family detached residential units (the "**Allocated Use**") on the Property, which use shall not generate (in the aggregate) more than the number of external p.m. peak hour trips ("**Trips**") assigned herein below; and

b. All of Assignor's rights and interest in and to Two Hundred Seventy-Seven (277) Trips (the "**Maximum Trips**").

3. Assignee may not use the Property for any use which is other than or exceeds the Allocated Use, or which requires more than the Maximum Trips, without Assignor's prior written consent. The restriction in this Section 3 is a covenant running with the land for the benefit of Assignor and the remaining lands owned by Assignor from time to time located within the DRI and for the benefit of those successors and assigns of Assignor, and their properties located within the DRI, to whom the Assignor has specifically assigned master developer rights under the DRI as evidenced by a notice recorded in the Public Records of Marion County, Florida ("**Successor Master Developer**").

4. Prior to paying transportation impact fees to any governmental authority in connection with the Property, Assignee agrees to purchase transportation impact fee credits ("**Impact Fee Credits**") from Assignor at face value to the extent such Impact Fee Credits are available from Assignor, can be used to offset Assignee's transportation impact fee obligation with respect to the Property (or any portion thereof), and Assignee does not have its own Impact Fee Credits to use. In connection with any such sale of Impact Fee Credits, Assignor shall provide a written assignment of Impact Fee Credits to Assignee on a form reasonably acceptable to Assignee and the applicable governmental authority.

5. This Assignment runs with the land and shall be binding upon Assignor and Assignee, and their successors and assigns. Except as may be otherwise approved in writing by Assignor or its Successor Master Developer, the Trips assigned herein are for the use and benefit of the Property and are not transferable to other properties. All other Trips and use rights not assigned herein are reserved and held by Assignor.
