Re: AB424-45753  
Petitioner: Lorven Holdings, LLC

Dear Ms. Harvick:

It is now our understanding, after speaking with Khristina Wright with the Planning Depart, that the abrogation of the railroad property will result in the property being automatically split equally between the abutting property owners. Therefore, Ro-Mac Lumber & Supply, Inc., withdraws its objection to Lorven Holdings, LLC's Application for Abrogation or Vacation Plat Request and are now in support of the requested abrogation. We also withdraw our request to speak at the hearing.

Thank you all for the help and clarification of this matter.

Sincerely yours

RO-MAC LUMBER & SUPPLY, INC.
