Exhibit C - Federal Contract Provisions CONTRACT# FAC/220859

In addition to the City of Ocala's General Terms and Conditions and other provisions required by the funding agency, all contract awards made by the City of Ocala, a non-Federal entity, shall be governed by the following provisions required under Appendix II to 2 CFR, Part 200, as applicable. These Special Terms and Conditions shall have precedence over the City's General Terms and Conditions and any terms and conditions set forth in the solicitation that may be in variance or conflict with these Special Terms and Conditions.

1. **REMEDIES FOR VIOLATION OR BREACH OF CONTRACT.** Remedies for violation or breach are addressed under Paragraph 67 of the City's General Terms and Conditions.
2. **TERMINATION FOR CAUSE OR CONVENIENCE.** Termination for cause and convenience are addressed under Paragraph 67 of the City's General Terms and Conditions.
3. **EQUAL EMPLOYMENT OPPORTUNITY.** (Applies to agreements between the City and any Vendor for construction work which is paid for in whole or in part with federal funds.) During the performance of this Contract, Contractor agrees as follows:
 - (a) Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - (b) Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
 - (c) Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceedings, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
 - (d) Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - (e) Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
 - (f) Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its/his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

Exhibit C - Federal Contract Provisions CONTRACT# FAC/220859

- (g) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (h) Contractor will include the portion of the sentence immediately preceding paragraph (a) herein and the provisions of the subparagraphs contained within this entire section in every subcontract or contract unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or Contractor. The Contractor will take such action concerning any subcontract or contract as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:
 - (1) Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or Contractor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

4. **DAVIS-BACON ACT AND COPELAND "ANTI-KICKBACK" ACT.** (Applies to all prime construction contracts in excess of \$2,000 for the actual construction, alteration, and/or repair of a public building or public work, or building or work financed in whole or in part from Federal funds, in accordance with guarantees of a Federal agency, or financed from funds obtained by pledge of any contract of a Federal agency to make a loan, grant, or annual contribution.)

- (a) **Davis Bacon Act.** All vendors, contractors, and subcontractors must comply with the provisions of the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). Contractor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Contractor shall pay wages not less than once a week. Current prevailing wage determinations issued by the Department of Labor are available at www.dol.gov. Contractor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Contractor is conditioned upon Contractor's acceptance of the wage determination. The City shall report all suspected or reported violations to the Federal awarding agency.
- (b) **Copeland "Anti-Kickback" Act.** Contractor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractor and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each Contractor or sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The City shall report all suspected or reported violations to the Federal awarding agency.

These requirements do not apply to the purchase of supplies or materials ordinarily available on the open market, or contracts for transportation or transmission of intelligence.) All vendors, contractors, and subcontractors must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor Regulations (20 CFR Part 5).

Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.
 - (b) The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.
6. **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT.** If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Contractors who apply or bid for an award of more than \$100,000 shall file a Byrd Anti-Lobbying Certification. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352.
