## **Brief Resume of Education and Experience:**

---

High school graduate / some college Left college to pursue a career with Publix then after 6 years I met and married my husband. He graduated from UF engineering school and got a job with E-One right out of college. We moved to Dunnellon where I decided to leave Publix and follow some other passions. Learned how to start my own successful home cleaning service down in the villages and did that for while but then decided to finally get my real estate license active. I started on Laurie Ann Truluck's team and stated there until we had our first child. Took some time off then hung my license again at Crystal snook Real Estste to do real estate part time. We had our second child Oct 26 2022 so I stepped back again. So now she's almost 2 and going to St. Paul's Christian school, I would love the opportunity to commit to helping make positive changes for the future of our city.
