Economic Development Coordinator, Charlita Whitehead, provided a brief overview of COA25-0039 a request to install a 4-foot-tall, Emily style, aluminum fence including two gates.

Jill Conkrite 1006 E Fort King Street, Ocala, FL, stated the purpose of the request is to install a fence similar to others in the surrounding area. The fence is intended to contain dogs and to address concerns about people frequently walking through the property.

Motion to approve COA25-0039.

**RESULT:** APPROVED  
**MOVED:** Holland Drake  
**SECONDER:** Jane Cosand

5. Affirmative Maintenance

None.

6. Public Comments

None.

7. Staff Comments

Economic Development Coordinator, Charlita Whitehead stated there are two vacancies on the board and noted the need for an architect.

Planning Director, Aubrey Hale discussed the extension of the CRAs for an additional ten years. The East Ocala CRA specifically impacts the downtown and historic district. One reason for involving Charlita is her extensive involvement in CRA projects. She CRA provides incentives and grant opportunities for those within the CRA boundaries that include the historic districts, including residential improvement grants and commercial grants. She further advised that this extension has been approved and that there is approximately a ten-day period following the hearing for it to be finalized.

Associate Planner, JaNiece Lucky provided alternative dates for the next board meeting, as the regularly scheduled meeting falls on New Year's Day. The board decided that the next scheduled meeting will be held on January 8, 2026.
