(b) The department shall defer payments for the first 3 years of the loan. After 3 years, the department shall reduce the principal balance annually through the end of the loan term such that the original principal balance is reduced by 30 percent. If the principal balance is repaid before the end of the 10th year, the applicant may not be required to pay more than 70 percent of the original principal balance. The approved applicant must continue to be actively engaged in production in order to receive the original principal balance reductions and must continue to meet the loan agreement terms to the satisfaction of the department.

(c) An approved applicant may make payments on the loan at any time without penalty. Early repayment is encouraged as other funding sources or revenues become available to the approved applicant.

2025700er

(d) All repayments of principal and interest, if applicable, received by the department in a fiscal year must be returned to the loan fund and made available for loans to other applicants in the next application period.

(e) The department may periodically review an approved applicant to determine whether he or she continues to be in compliance with the terms of the loan agreement. If the department finds that an applicant is no longer in production or has otherwise violated the loan agreement, the department may seek repayment of the full original principal balance outstanding, including any interest or costs, as applicable, and excluding any applied or anticipated original principal balance reductions.

(f) The department may defer or waive loan payments if at any time during the repayment period of a loan, the approved applicant experiences a significant hardship such as crop loss from a weather-related event or from impacts from a natural disaster or declared emergency.

(7) ADMINISTRATION.—

(a) The department shall create and maintain a separate account in the General Inspection Trust Fund as a fund for the program. All repayments must be returned to the loan fund and made available as provided in this section. Notwithstanding s. 216.301, funds appropriated for the loan program are not subject to reversion. The department shall manage the fund, establishing loan practices that must include, but are not limited to, procedures for establishing loan interest rates, uses of funding, application procedures, and application review procedures. The department is authorized to contract with a

(b) The department shall coordinate with other state agencies and other entities to ensure to the greatest extent possible that agriculture and aquaculture producers in this state have access to the maximum financial assistance available following a declared emergency ~~natural disaster~~. The coordination must endeavor to ensure that there is no duplication of financial assistance between the loan program and other funding sources, such as any federal or other state programs, including public assistance requests to the Federal Emergency Management Agency or financial assistance from the United States Department of Agriculture, which could render the approved applicant ineligible for other financial assistance.

(8) PUBLIC RECORDS EXEMPTION.—

(a) The following information held by the department pursuant to its administration of the program is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution:

The report must include information on noticed application periods, the number and value of loans awarded under the program for each application period, the number and value of loans outstanding, the number and value of any loan repayments received, and an anticipated repayment schedule for all loans.

(11) SUNSET.—This section expires July 1, 2043, unless reviewed and saved from repeal through reenactment by the Legislature.

(b) This subsection may not be construed to limit, restrict, or inhibit the constitutional right to bear arms and carry a concealed weapon in this state. The Legislature finds it a matter of public policy and public safety that it is necessary to ensure that potentially disqualifying information about an applicant or licensee is investigated and processed in a timely manner by the department pursuant to this section. The Legislature intends to clarify that suspensions pursuant to this section are temporary, and the department has the duty to make an eligibility determination and issue a license in the time frame prescribed in this subsection.

(6)

(c) The Department of Agriculture and Consumer Services shall, within 90 days after the date of receipt of the items listed in subsection (5):

1. Issue the license; or

2819 screening identifies ~~department receives~~ criminal history
2820 information related to a crime that may disqualify the applicant
2821 but does not contain ~~with no~~ final disposition of the crime or
2822 lacks sufficient information to make an eligibility
2823 determination ~~on a crime which may disqualify the applicant~~, the
2824 time limitation prescribed by this paragraph may be extended for
2825 up to an additional 45 days after the receipt of the information
2826 ~~suspended until receipt of the final disposition or proof of~~
2827 ~~restoration of civil and firearm rights.~~ The department may make
2828 a request for information to the jurisdiction where the criminal
2829 history information originated but must issue a license if it
2830 does not obtain a disposition or sufficient information to make
2831 an eligibility determination within the additional 45 days if
2832 the applicant is otherwise eligible. The department may take any
2833 action authorized in this section if it receives disqualifying
2834 criminal history information during the additional 45-day review
2835 period or after issuance of a license.

2836 (10) A license issued under this section must ~~shall~~ be
2837 temporarily suspended as provided for in subparagraph (6)(c)3.,
2838 or revoked pursuant to chapter 120 if the license was issued in
2839 error or if the licensee:

2840 (a) Is found to be ineligible under the criteria set forth
2841 in subsection (2);

2842 (b) Develops or sustains a physical infirmity which

(c) Is convicted of a felony which would make the licensee ineligible to possess a firearm pursuant to s. 790.23;

(d) Is found guilty of a crime under chapter 893, or similar laws of any other state, relating to controlled substances;

(e) Is committed as a substance abuser under chapter 397, or is deemed a habitual offender under s. 856.011(3), or similar laws of any other state;

(f) Is convicted of a second violation of s. 316.193, or a similar law of another state, within 3 years after a first conviction of such section or similar law of another state, even though the first violation may have occurred before the date on which the application was submitted;

(g) Is adjudicated an incapacitated person under s. 744.331, or similar laws of any other state; or

(h) Is committed to a mental institution under chapter 394, or similar laws of any other state.

If a notice given by certified mail is returned as undeliverable, a second attempt must be made to provide notice to the licensee at that address, by either first-class mail in an envelope, postage prepaid, addressed to the licensee at his or her last known mailing

2025700er

address furnished to the department, or, if the licensee has provided an e-mail address to the department, by e-mail. Such mailing by the department constitutes notice, and any failure by the licensee to receive such notice does not stay the effective date or term of the suspension or revocation.
