To Whom it May Concern  
Growth Management Department

Dear Sirs,

I am a long time resident of Woodland Villages and as so I am very concerned about the ongoing effect by the Growth Management Department to allow construction of a 7-Eleven store selling alcohol beverages. It is widely known that these types of establishments may become a magnet for crime, excessive noise, panhandling and various other nuisances including the abundance of excessive in and out traffic in our area at all times of the day and night. Furthermore as you are already aware there is a convenient store right across from our community on Maricamp Rd that sells alcohol and a large Gas station and a large Publix grocery less than a mile away that also sell alcohol. It has become apparent that this situation will be a detriment to the peace and tranquility of our community. I am sure that most residents of the Woodland Villages community would not approve of this type of so called Growth Management going forward.

Sincerely,  
Michael D'Ambrogi  
2413 SE 17<sup>th</sup> Circle Ocala, fl
