NOTES:

Price includes all material and labor to complete the requested flooring replacement. We will remove and dispose of the existing carpet, VCT/LVT and cove, scarify and prep all floors as needed for new flooring, and install new LVT and vinyl cove throughout. The quote also includes freight, delivery, and full-time project management. Pricing is based on routine removal and floor prep - should moisture or any major issues be discovered, we will stop and discuss how to proceed. The quote includes furniture movement/lift; however, all electronics and personal items must be removed prior to installation. Work is planned for normal hours. Material is calculated at 10% overage for cuts, waste, and attic stock.
