FYI - this comment arrived after the office closed, in relation to a P&Z item from last night's meeting.

I am a concerned Grandparent of Children that go to St. John Lutheran school , and Blessed Trinity . I do not think that the Transitional Recovery facility is a good idea in this neighborhood. With school children , and homes all around this area , it is a terrible idea to put this in this area .  
There are already people wandering around the Churchill shopping center already , who approach people for money etc.  
Please take my concerns into consideration with your decisions in this matter .
