864-672-2780 | dataworksplus.com

1. REPORTING A PROBLEM TO DATAWORKS PLUS:

- 1.1 The *Agency* can contact Technical Support using either of the following options:
 - Toll-free telephone support (**866-632-2780, dial "3" for Customer Support**)
 - Email: support@dataworksplus.com
- 1.2 The *Agency* should use our toll-free number to report problems that require immediate attention. To expedite the problem, the *Agency* needs to have readily available, the machine name or IP address of HARDWARE or SOFTWARE with the problem, the type of SOFTWARE with the issue and a sample record number.

2. DATAWORKS PLUS RESOLUTION PROCESS: (SEE ADDENDUM/EXCLUSIONS)

- 2.1 DATAWORKS PLUS Technical Support Team will open a ticket in our tracking system as acknowledgment of an issue reported to us. The *Agency* can request the ticket number for their tracking purposes.
- 2.2 DATAWORKS PLUS Technical Support will connect to the system remotely to determine the problem and resolution.
 - DATAWORKS PLUS will contact the *Agency* upon closure of the ticket.
 - DATAWORKS PLUS will, at no additional expense to the *Agency*, correct any failures of the covered SOFTWARE to meet its specifications.
 - NOTE: If *Agency* will not provide DATAWORKS PLUS with remote dial-in access for support issues and DATAWORKS PLUS is required to go to *Agency* site(s) to determine the problem and resolution, resolution time will be delayed and *Agency* will be financially responsible for DATAWORKS PLUS travel time and out-of-pocket expenses.
- 2.3 If the remote site support does not satisfactorily resolve the problem, DATAWORKS PLUS may choose to send a qualified technician to your site to correct the problem. The decision to send a technician onsite will be at the sole discretion of DATAWORKS PLUS and will be done at no additional expense to the *Agency*.

3. DATAWORKS PLUS RESPONSIBILITIES TO SOFTWARE:

- 3.1 DATAWORKS PLUS will, at no additional expense to the *Agency*, provide all enhancements, additions and updates to the SOFTWARE. The *Agency* can contact our Technical Support team to schedule SOFTWARE updates for any SOFTWARE purchased from DATAWORKS PLUS; does not include Operating System. All SOFTWARE updates should be scheduled during normal business hours. Fees for non-business hours updates can be provided as needed.

864-672-2780 | dataworksplus.com

- ✓ DATAWORKS PLUS warrants that its products are free from viruses. Any virus introduced to the *Agency's* system by DATAWORKS PLUS will be remedied at the sole expense of DATAWORKS PLUS.

4. AGENCY'S RESPONSIBILITIES:

- 4.1 Maintenance does not cover virus protection or system failure due to virus infection. The on-site system administrator is responsible for Operating System and SQL patches/updates as well as Anti-virus SOFTWARE updates. The *Agency* will be responsible for any damage or failure caused by a computer virus. In the event that a system becomes infected and the *Agency* requires assistance, DATAWORKS PLUS will assist the *Agency* on a time and materials basis. Systems that have been infected can contact DATAWORKS PLUS to assist with rebuilds after they have completed a complete virus scan and malware scan of the system.
- 4.2 However, the *Agency* can, at no additional expense, contact our technical support team for assistance in setting the proper exclusions for anti-virus solutions provided by the *Agency*.
- 4.3 The *Agency* is responsible for providing a backup solution and ensuring that backups are being conducted. The *Agency* can, at no additional expense, contact DATAWORKS PLUS support to configure SQL backups to disk or USB drive. DATAWORKS PLUS encourages customers to provide a 3rd party backup solution.
- 4.4 Agencies that need to replace agency-provided hardware can contact DATAWORKS PLUS for a services quote to migrate databases and/or applications. The agency, in this event, will be responsible for the following: Replace the hardware, install the OS and patches, install SQL, and provide a means of access (VPN or dial-in) to the new hardware. DATAWORKS PLUS will be responsible for re-loading the DATAWORKS PLUS software and working with the customer to recover the database.

5. DATAWORKS PLUS HARDWARE RESPONSIBILITIES: (The section below relates only to HARDWARE listed on this contract as covered by DATAWORKS PLUS – See covered hardware beginning on Page One to determine if this section applies to your Agency)

- 5.1 DATAWORKS PLUS will, at no additional expense to the *Agency*, repair or replace any piece of covered HARDWARE that malfunctions due to normal wear and tear based on manufacturer specifications at the time of purchase. This does not cover HARDWARE malfunctions due to acts of God, abusive damage or accidents, or HARDWARE/HARDWARE components replaced at the discretion of the *Agency*.

- 5.4 DATAWORKS PLUS reserves the right to discontinue coverage for printers that become "general use" printers, instead of printers used exclusively for DATAWORKS PLUS applications.
- 5.5 DATAWORKS PLUS will, at no additional expense to the *Agency*, provide next-day delivery (except Sundays and Holidays, in which case, delivery will be scheduled for the next business day) of a replacement unit for any piece of covered HARDWARE that malfunctions due to normal wear and tear. DATAWORKS PLUS will provide next-day delivery by UPS Red Label, FedEx Priority Overnight, or a similar service. Replacement units will be loaned to the *Agency* until DATAWORKS PLUS has repaired the failed unit or until DATAWORKS PLUS makes the decision to provide a permanent replacement.
- 5.6 DATAWORKS will provide telephone assistance for connectivity for defective HARDWARE listed below: Camera equipment, panner sets, keyboards, external disk drives, monitors, mice.
- 5.7 DATAWORKS PLUS will, at no additional expense to the *Agency*, provide all computer-related and firmware updates as deemed necessary, for all computer equipment purchased from DATAWORKS PLUS and all DATAWORKS PLUS SOFTWARE applications. Additional charges may apply for firmware upgrade for mobile devices.
- 5.8 Armband Hardware: Armband hardware purchased from and provided by DATAWORKS PLUS is specifically engineered and designed for exclusive use with DATAWORKS PLUS armbands. We cannot guarantee the effectiveness of this equipment when used with other brands of armbands/wristbands and their application. Using armbands/wristbands from a vendor other than DATAWORKS PLUS may void the maintenance agreement. This hardware includes: Trim Die Hole Punch, Model 5560 Laminator, Rivet Tool, and Armband Photo Die Cutter.
 - For defective armband hardware: DATAWORKS PLUS will ship the defective hardware to our headquarters at no expense to the *Agency*. DATAWORKS PLUS will repair the armband hardware and ship the original hardware back to the *Agency*. No loaner equipment will be provided during this time.

6. CONNECTIVITY:

ADDENDUM A

Occasionally, customers have a need to move our SOFTWARE licenses to new HARDWARE, either due to HARDWARE failure or simply as a HARDWARE upgrade. DATAWORKS PLUS considers application upgrades as a part of our standard maintenance plan. However, system moves are not covered under the plan. Customer should contact DATAWORKS PLUS for pricing for system moves. Customers who need to move SOFTWARE/databases to new HARDWARE will need to do the following:

- 1.** Contact DATAWORKS PLUS at **866.632.2780** for pricing and scheduling;
- 2.** Provide DATAWORKS PLUS with an equivalent HARDWARE solution as the original HARDWARE, with any SOFTWARE installed that was originally installed by the Agency;
- 3.** Provide VPN access to the new system and the old system simultaneously until the move is complete;
- 4.** Provide access to system backups and logs.
- 5.** DATAWORKS PLUS understands that some Agencies prefer to handle application license moves to customer owned HARDWARE without DATAWORKS PLUS assistance. In this instance, it is the Agencies responsibility to notify DATAWORKS PLUS so that maintenance coverage will continue for the license(s). The following information should be given to DATAWORKS PLUS to update license information on the maintenance record:
 - Previous machine name and IP
 - New machine name and IP

➤ DATAWORKS PLUS is not responsible for providing on-site assistance in the event of customer provided hardware failure.

➤ DATAWORKS PLUS is not responsible for engineering/development work to reconstruct corrupt databases due to customer-provided hardware failure, or failure due to viruses/malware.

➤ Customers who wish to schedule license moves and/or hardware upgrades may contact DATAWORKS PLUS for fees and scheduling.

➤ Customers may contact us for pricing for a maintenance uplift plan that includes software license moves.

➤ Our standard rates of \$180 per hour, 2 hour minimum, will apply for any installation or deployment related support issues after the initial training and installation for Kiosk.

ADDENDUM B – Decline of Maintenance

The following information is included in the event that your agency declines maintenance with DATAWORKS PLUS:

Should you need assistance going forward, please note the Time and Materials process below:

- If technical assistance is needed, please contact DATAWORKS PLUS at 866.632.2780 x 3.
- DATAWORKS PLUS will open a ticket for your Agency and work to get you a quote for services.
- Your agency will be provided the information necessary so your agency can issue a purchase order for services. Typically, this purchase order will be for the two-hour minimum.
- Upon receipt of the purchase order, our technicians will connect to your site to determine the cause of the problem and an estimate of time for resolution.
- If the problem can be resolved during the two-hour minimum time-frame listed in the purchase order, we will proceed with the repair. DATAWORKS PLUS support technicians will contact your Agency before going above the time limit issued by your Agency.
- If the problem requires HARDWARE to resolve, DATAWORKS PLUS will issue your Agency a quote for the HARDWARE separately, provided the HARDWARE is not listed as obsolete by DATAWORKS PLUS. T&M agencies are responsible for shipping costs for the replacement HARDWARE. Be advised that significant downtime could result if hardware repairs are warranted.
- Upon closure of the ticket, DATAWORKS PLUS will issue an invoice with the purchase order given at the time of the initial call. Please note that agencies with current maintenance contracts will get priority in our support tracking system. However, we are happy to give agencies a time-frame for resolution.
- DATAWORKS PLUS does not provide on-site support for non-maintenance customers.
- DATAWORKS PLUS does not provide SOFTWARE upgrades for non-maintenance customers. Be advised that some SOFTWARE upgrades may be required to remain in compliance with state certifications. Non-maintenance customers can purchase SOFTWARE upgrades at the prevailing rate.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of Ocala - Procurement & Contracting (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact City of Ocala - Procurement & Contracting:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically
