Approval Comments: drobinson@ocalafl.org

This exception request is approved. The initial term for Contract No. WRS/230166 expires April 18, 2025. Initial term pricing was set at \$423.67/ton and pricing increases for subsequent renewal terms were capped at the lesser of (i) the amount of the percentage increase reflected in the CPI-U or (ii) 3% annually - unless there are mitigating market conditions. Carmeuse is requesting a 13.2% increase based on the Producer Price Index for Lime Manufacturing. This increase would result in a \$55.92 increase per ton (\$479.59/ton). The department has indicated that they can afford the increased pricing. PLEASE ISSUE A CONTRACTING REQUEST SO THAT A RENEWAL AGREEMENT CAN BE PREPARED WHICH REFLECTS THE NEW PRICING. IF THE EXPENDITURE OVER THE COURSE OF THE RENEWAL TERM WILL EXCEED \$50,000 PLEASE SCHEDULE FOR AN UPCOMING COUNCIL AGENDA.
