ABOUT MORSECOM

Everyone & Everything Connected

MORSECOM is a Certified Woman & Veteran Owned Business Enterprise (WBE). Our company's management team is comprised of high-level, Industry-recognized experts that truly understand the business and technical requirements of our clients. Our clients range from local, state, national, and international in scope.

MORSECOM is an industry pioneer in the cable infrastructure space, having entered the market over 30 years ago. Founded by Annette & Mike Costello, MORSECOM has transformed from its early beginnings to become a market leader as a managed services provider. We offer value-based client solutions by effectively integrating business and technology enterprises. Our portfolio includes cutting-edge voice, data networking, peripheral applications, and security solutions. We are a full-service integrator assisting clients from desktop to the data center providing world-class solutions.

Serving 38 states and 6 countries worldwide, we have an expansive portfolio with an international footprint always allowing for Best-in-Class Service. MORSECOM has over 100 employees with nearly 80% of those holding technical certifications.
