STAFF RECOMMENDATION (Motion Ready): Approve Agenda Item (ID # 16162) three-year contract with VIP Security & Investigations, LLC to provide citywide security services with an estimated expenditure for the initial term of \$870,416

OCALA'S RELEVANT STRATEGIC GOALS: Quality of Place

PROOF OF PUBLICATION: Solicitation released to the public: July 13, 2021

BACKGROUND:

The scope of work includes security services for City Hall, Customer Service Office, City Complex, and the downtown parking garage. The security officers provide guidance to citizens, greet and process visitors at City Hall, monitor the parking garage, monitor Citizens' Circle, patrol city complex and enforce ordinances and rules on City property.

Security officers have responded promptly when called upon to deal with aggressive patrons at the Customer Service Office and City Hall. Security officer presence provides a visible deterrent throughout the City Complex, parking garage and Citizen's Circle. Additionally, loitering in and around Citizens' Circle has been reduced and their presence ensures the safety of citizens in the public parking garage during late evening hours. Having security guards on-site has proven to be a valuable asset to ensure staff, citizens and visitors are protected from potential acts of violence.

FINDINGS AND CONCLUSIONS:
