

**AMENDMENT NUMBER 1 TO IPO 2023-10
BETWEEN KIMLEY-HORN AND ASSOCIATES, INC.
AND THE CITY OF OCALA**

AMENDMENT NUMBER 1 DATED April 18, 2024, to IPO 2023-10 between The City of Ocala (“the City”) and Kimley-Horn and Associates, Inc., (“Kimley-Horn or Consultant”) dated October 27, 2023 (“IPO”) concerning SW 3rd Avenue Drainage Improvements (the “Project”).

Kimley-Horn has entered into the IPO with the City for the furnishing of professional services, and the parties now desire to amend the IPO.

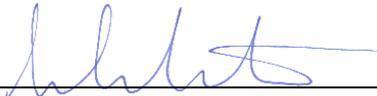

Therefore, it is mutually agreed that the IPO is amended to include Additional Services to be performed by Kimley-Horn and provisions for additional compensation by the City to Kimley-Horn, all as set forth in Exhibit A hereto. The parties ratify the terms and conditions of the IPO not inconsistent with this Amendment, all of which are incorporated by reference.

ACCEPTED:

CITY OF OCALA

KIMLEY-HORN AND ASSOCIATES, INC.

BY: _____

BY: 
Amber L. Gartner, PE

TITLE: _____

TITLE: Vice President

DATE: _____

DATE: April 18, 2024

Consultant shall perform the following Additional Services:

Project Understanding

The City of Ocala has existing stormwater pipes located on parcels (“the parcels”) east of SW 3rd Ave that it wants to relocate to public right-of-way. The parcels are between SW 2nd Ave and SW 3rd Ave and SR 40 (Silver Springs Blvd) and West Fort King Street (Marion County Parcel IDs: 2854-025-001, 2854-025-002, 2853-026-001, 2853-026-002, and 2853-026-003) as shown on attached Exhibit A. The existing pipes and contributing basin area drains to the Old City Yard Drainage Retention Area (DRA) (SJRWMD ERP #110359-14) which is owned and maintained by the City of Ocala.

The City would like additional professional consulting services to include increasing the size of the stormwater pipe along Fort King Street from SW 2nd Ave to SW 3rd Ave. The City will provide field survey and site investigation notes on the condition, material, and sizes of the existing pipes to be re-routed with this project. This project does not include any modifications to any conveyance system improvements outside of the re-routed pipes. There are no street or sidewalk improvements included. Kimley-Horn is only tasked with the scope of services described below.

Scope of Services**Task 1 – Additional Design Services**

Kimley-Horn will include the necessary details to remove the existing 12” x 18” ERCP and replace it with a 48” or 60” RCP or equivalent along Fort King Street from SW 2nd Ave to SW 3rd Ave. Size of the proposed pipe to be finalized during design. The extension will connect to the existing manhole located at the intersection of Fort King Street and SW 2nd Ave.

Additional Services If Required

Services requested that are not specifically included will be provided under a new and separate IPO agreement or can be performed on an hourly basis upon written authorization.

Schedule

Kimley-Horn will provide the above Scope of Services as expeditiously as practicable to meet a mutually agreeable schedule.

Fee and Billing

Kimley-Horn will complete the above scope of services for a lump sum fee of \$15,320.32, inclusive of expenses.
