Jeff,

I checked both the scanned and microfiche files and found nothing. According to the property appraiser's notes, the buildings were constructed in 1976. and I have not found any plans that old in our files.

The miscellaneous notes on the property card indicate chain link fence installed in 1976, 1980, and 1985. There is also a listing for an aluminum fence in 2018 but there is no corresponding permit listed.

I am trying to locate the site plan for the above property. We are trying to determine if the fence is on the approved site plan or if it was put up after the fact. TY
