Interests & Experiences

Please tell us about yourself and why you want to serve.

Why do you think you are qualified to serve on this board/commission?

Firstly, I am an avid city of Ocala and Florida state park user and I believe that I am in the parks often enough to add a great and updated perspective and provide genuine support to this committee. Additionally, I work with non-profits and church programs that deal with youth and I hear their thoughts and concerns on a regular basis and can help voice that. Finally, having a role in Ocala higher education and working with college students (and being a college student myself), I believe that I am able to provide the perspective of the next generation of Ocala residents within our park and recreation systems. My perspective will help the city parks better reach students in Ocala at a youth and collegic level.

Brief Resume of Education and Experience:
