 RE: East Ocala CRA Residential Improvement Grant Program Grant Application
 CRA25-0007

Address: 956 NE 5th St (Parcels: 2831-100-000)

Applicant: Ben Chupp

Project: The applicant seeks to replace 19 windows that are original to the home.

Background:

"1,392 structures, representing approximately 68.4 percent of the structures in the East Ocala CRA have issues concerning Quality of Structure....a concentration of older, poorly maintained and deteriorated buildings creates many negative influences in an area including a loss of economic status, a lack of interest in new development, and increased occurrence of crime, and decreased revenues for businesses." - The East Ocala Redevelopment Plan

A summary of the work item and quotes received are presented in Table 1.

Table 1. Application summary.

Work Item	1 st Quote	2 nd Quote	Recommended Grant (75%)
Replace windows	\$35,346	\$16,385	\$12,289

Findings and Conclusion:

- The home was built in 1950.
- The windows that will be replaced are original to the building. The homeowner has previously replaced some of the windows on the home. This grant will allow them to replace the remaining windows.
- Per the application, "Several of the windows are currently cracked and do not open/stay open. Replacing the windows will increase the safety of the home in the event of an emergency and increase the energy efficiency of the home."

- The price difference between the two bids is primarily due to one vendor utilizing subcontractors for some or all of the labor. Subcontracting can lead to higher costs as it often involves additional management fees, overhead expenses, or markups.
- The homeowner would not be able to afford the expense of replacing the remaining windows without the assistance of the grant program.
- The application meets the requirements and is eligible for grant consideration.

The Grant Review Committee (GRC) visited the property on April 15, 2025. The home was found to be in good condition and well maintained. Please refer to the images below for highlights of the existing condition. The full application is also attached.

Attached - Application, cost estimates, maps, Tax Roll Property Summary, and Marion County Property Appraiser's Property Report Card.

Project Description and Bids

Questions

1. Please explain the purpose of and need for the proposed improvements.

Ans. The subject project is to replace 19 windows. The windows are the original windows from when the house was built in 1950. Several of the windows are currently cracked and do not open/stay open. Replacing the windows will increase the safety of the home in the event of an emergency and increase the energy efficiency of the home.

2. Will the proposed improvements be made without the assistance of the grant program? If not, please explain.

Ans. No

3. If not, please explain

Ans. Due to the cost of the window replacement, we would not be able to complete this without the assistance of the grant.

4. If necessary, attach additional documentation addressing the above.

Project Specifications

Thank you for the opportunity to work together on your window replacement project. Remember that West Shore Home is fully licensed and insured to complete this project. We DO NOT use subcontractors. OUR installers are OUR employees and are fully vetted. Our installers will also be following CDC guidelines while in your home. We will handle all the permits and inspections. The typical installation takes 1-3 days and comes with a warranty on the materials and installation for as long as you own your home. We'll remove the old windows and frame, inspect the area and treat accordingly, and make it ready for your new virgin vinyl windows. We will haul away all debris and clean behind ourselves.

Your current project will include:

Window style(s): **DOUBLE HUNG**

Window color: **WHITE/WHITE**

Glass: **Double pane, double Low-e coating, Argon gas filled.**

Additional options/accessories:

Also included in our window installation:

Obtaining the permit and scheduling final inspections

Install your new reinforced multi-chamber virgin vinyl window frames/ sashes.

The windows will have the proper impact rating per the current Florida codes.

Give you the warranty and service information after completion of your project.

Thank you again for your time and input during our visit. It was truly a pleasure to meet you. Please feel free to reach out to me by phone, text, or email if you have any questions. I look forward to helping you upgrade your home.
