RE: CD150S-CS
Sale Quotation 156004238

Dear Liza:

Thank you for your interest in Xylem Dewatering Solutions Inc, and our line of Dri-Prime pumps.

I have prepared the following quote for our model CD150S with sound attenuated enclosure, trailer, and requested options.

The CD150S is a member of the Godwin S Series of Smart pumps, equipped with a new generation of Field Smart Technology (FST) for remote monitoring and control. In addition to improved hydraulic efficiency, greater fuel economy, and streamlined serviceability.

The enclosure consists of 14 gauge sheet metal lined with 1" and 2" layers of polydamp acoustical sound deadening material. The engine is designed with a critical grade silenced muffler, silenced the priming exhaust, and isolated engine vibration to further reduce operating noise. Hinged, lockable doors provide convenient access to operating controls and service locations. Sound levels are approximately 69 dBA at 30 feet.

All pricing is based on the Florida Sheriff's Contract #FSA23-EQU21.0, Specification #313. There are no delivery / freight charges when utilizing the FSA Contract.

Please call or contact me at your convenience with any additional questions or comments regarding this quote or additional needs.

Sincerely,

Joshua Grangruth
Outside Sales Representative

JG / gy
