Good morning,

Captain Keuntjes advised that you approved the attached purchase to be funded from the Reserve account using forfeiture monies. Upon your confirmation, I will move forward with processing a Budget Resolution and send it to Susan for placement in Legistar for the 12/12 council meeting

Thank you,

Hey Sarah, attached you'll find the quote for the x-ray machine. Let me know if there's anything else you need.

Thank you,

Dustin Keuntjes
