

CITY OF OCALA, FLORIDA  
AND  
BELLECHASE MASTER HOMEOWNERS' ASSOCIATION, INC.

---

LEGACY LIGHTING TRANSFER AGREEMENT

---

THIS AGREEMENT is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2025, by and between the CITY OF OCALA, FLORIDA, a Florida municipal corporation, whose address is 110 S.E. Watula Avenue, Ocala, Florida 34471, hereinafter referred to as "CITY," and Bellechase Master Homeowners' Association, Inc., a Florida not for profit corporation, whose address is 6972 Lake Gloria Blvd Orlando, FL 32809, hereinafter referred to as "HOA." CITY and HOA shall be collectively referred to hereafter as "the Parties."

WITNESSETH:

WHEREAS, CITY, through its electric utility (commonly referred to as "Ocala Electric Utility" or "OEU"), owns, maintains, and operates a certain Legacy Lighting System which exists throughout the neighborhood located within the CITY commonly known as Bellechase, which is governed by HOA; and

WHEREAS, in an effort to assist them in controlling and best managing their current and future costs and needs for private lighting areas of their community or commercial enterprise, the CITY is willing to transfer to HOA the ownership of the Legacy Lighting System; and

WHEREAS, the CITY and HOA agree that such transfer of the Legacy Lighting System will be on an "as-is" basis with no express or implied warranty as to the condition or maintenance of said system; and

WHEREAS, the CITY finds and determines that transfer of the Legacy Lighting System identified below to HOA accomplished through the execution of this *Legacy Lighting Transfer Agreement* serves a public purpose and is in the best interest of the CITY and its citizens.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, the sufficiency of which is specifically agreed upon by the parties, the CITY and HOA hereby agree as follows:

Section 1. Adoption and Incorporation of Recitals.

The recitals outlined above and herein are hereby adopted by CITY and HOA and are specifically incorporated herein as part of this *Legacy Lighting Transfer Agreement*.

Section 2. Purpose and Authority for Agreement.

This *Legacy Lighting Transfer Agreement* is entered into for the purpose of outlining the terms and conditions of the relationship between CITY and HOA and is entered into pursuant to the authority provided by Chapter 166, *Florida Statutes*, as well as other relevant provisions of Florida and federal law.

### Section 3. Definitions for Terms.

For the purposes of this *Legacy Lighting Transfer Agreement*, and except in cases where the context clearly indicates otherwise, the following terms shall have the following prescribed meanings:

- A. *120V-1ph electric service* shall mean the electric potential difference of an alternating current, at 60 Hz, power system provided by OEU that measures 120 Volts phase-to-grounded neutral plus or minus ten percent (10%).
- B. *24-hour energy consumption* shall mean the total estimated kW-hour consumption of an electric lighting fixture intended to operate continuously as controlled by a dusk-to-dawn detecting photocell throughout the average seasonal daylight hours for the CITY's geographic location. The annual estimated daylight hours are averaged to arrive at a 24-hour daily average.
- C. *Additional electrical connections* shall mean any electric interconnection to OEU's electric distribution system for immediate or future use, that is not part of the existing Legacy Lighting system connections being transferred to the HOA with this agreement.
- D. *Current electrical connection* shall mean the existing non-metered electric power interconnection to the Legacy Lighting fixtures and facilities and the point of demarcation identified in Exhibit 1.
- E. *Day-burning manner* shall mean the operating condition where a Legacy Light or any subsequent replacement electric illumination fixture, connected to OEU's electric distribution system via a non-metered electric service interconnection, consumes power for illumination during the dawn-to-dusk daylight hours. This may be the result of a failed photocell or other technical failure.
- F. *Legacy Light* shall mean any lighting fixture previously installed by OEU under the private area lighting agreement Tariff Rates.
- G. *Legacy Lighting System* shall mean the entire interconnected and individual private area lighting facilities previously constituting the overall OEU non-LED and LED private area lighting system which is being transferred by CITY to HOA as a result of this *Legacy Lighting Transfer Agreement* and shall be further defined as the lights, poles, electric wiring, and fixtures together with all other associated equipment and materials from the electric lights themselves to the secondary connection at the closest transformer or any secondary enclosure utilized solely for said electric lighting.
- H. *Legacy Lighting Transfer Agreement* shall mean this written agreement between CITY and HOA for the purposes outlined above and herein and shall further include any and all exhibits and/or attachments hereto.
- I. *Malfunctioning* shall mean any operation or defect of a lighting fixture that results in electrical power consumption beyond dusk-to-dawn operation or is modified in any way to increase the illumination output by exceeding the maximum power consumption category wattage rating of the Legacy Light fixture.
- J. *Monthly billing cycle* shall mean the same calendar interval for which the HOA's other common utility services are metered and/or Tariff Rates applied. The non-metered Legacy Light rates

shall be based on an average 30-day calendar month and will not vary by actual days within a monthly billing cycle.

- K. *Non-LED private area lighting* shall mean any illumination fixture previously installed by OEU that does not utilize Light Emitting Diode (LED) technology as its original illumination technology. This may include, but is not limited to, high-pressure sodium (HPS), metal halide (MH), high-intensity discharge (HID), and mercury vapor (MV) technology-based fixtures.
- L. *Non-metered* shall mean electric service that is provided at the closest point of interconnection to the overall electric distribution system that can be separated from the utility's 120V-1ph infrastructure, without any impact to the utility-owned electric system, and the electric consumption shall not be metered for the purpose of revenue billing.
- M. *Power Theft* shall mean connection to any non-metered electric service source or equipment not specifically covered by the terms and scope of this agreement, including the transferred electric facilities listed in Exhibit 1, that utilize any non-metered electric power consumption. Any identified Power Theft will be subject to the "Electricity Theft (non-metered)" miscellaneous charge listed in OEU's most current "Tariff Schedule" document, as well as all estimated power consumption charges, and legal or other service fees incurred by OEU.
- N. *Rate Tariff Revision* shall mean the recorded periodically adjusted rates for services, fees, and electric power consumption listed in OEU's most current "Tariff Schedule" as approved by the Ocala City Council and submitted to the Public Service Commission.
- O. *Standard GS Metered Service* shall mean the Tariff Rate for metered continuous electric power service, applicable to all commercial consumers, where measured monthly kVA (kilo-Volt-Amps) instantaneous demand does not exceed 50 kVA for more than two months out of the past twelve months.
- P. *Tariff Rate* shall mean the periodically adjusted rate for a specific service, fee, and/or electric power consumption kW-hour category listed in OEU's most current "Tariff Schedule" as approved by the Ocala City Council and submitted to the Public Service Commission.
- Q. *Unmetered Electric Service Cabling* shall mean electric service cable and/or wiring that is connected at the closest point of interconnection to the overall electric distribution system that can be separated from the utility's 120V-1ph infrastructure, without any impact to OEU's electric system. The Un-metered Electric Service Cabling is the transferred private facility and responsibility of the HOA.

#### Section 4. Designation of Legacy Lighting System.

The Legacy Lighting System which is being transferred from CITY to HOA pursuant to the terms and conditions of this *Legacy Lighting Transfer Agreement* shall include existing private area lights, light poles, and cables, including and as more particularly described in the Legacy Lighting System Inventory which is attached hereto as "Exhibit 1", and which is incorporated herein by reference.

## Section 5. Transfer of Legacy Lighting System.

By executing this *Legacy Lighting Transfer Agreement*, CITY hereby transfers the Legacy Lighting System to HOA. Upon execution of this agreement, HOA shall assume responsibility for the Legacy Lighting System, and CITY shall have no further interest in or liability for the Legacy Lighting System, except as otherwise provided in this *Legacy Lighting Transfer Agreement*.

## Section 6. Condition of Legacy Lighting System.

- A. The Legacy Lighting System shall be transferred from CITY to HOA on an “as-is” basis.
- B. CITY makes no express or implied warranty to HOA as to the condition of the Legacy Lighting System prior to or upon transfer of the same from CITY to HOA. Further, HOA acknowledges and understands that no manufacturer’s warranties are being transferred to HOA as part of this Legacy Lighting Transfer Agreement.
- C. In addition to HOA’s duty to indemnify, defend, and hold harmless CITY set forth in Section 11 of this *Legacy Lighting Transfer Agreement* HOA shall hold CITY harmless with regard to any and all risks and costs associated with HOA’s acceptance of the Legacy Lighting System including the “as-is” condition of the lights, poles, electric wiring, and all other associated equipment which are transferred as part of the Legacy Lighting System.
- D. Notwithstanding HOA’s acknowledgement and understanding that the Legacy Lighting System shall be transferred on an “as-is” basis, HOA acknowledges that it has had sufficient opportunity to inspect the Legacy Lighting System, discuss the condition of the Legacy Lighting System with CITY staff, and accepts the condition of the Legacy Lighting System “as-is.”

## Section 7. Maintenance Responsibility Following Transfer.

- A. Following the transfer of the Legacy Lighting System, HOA shall be solely and exclusively responsible for all maintenance, replacement, safety, and public safety associated with said Legacy Lighting System, including, but not necessarily limited to, all lights, poles, and related electric facilities which comprise said Legacy Lighting System and which are more particularly described in the attached “Exhibit 1”.
- B. HOA shall be responsible for maintaining, repairing, and correcting any portion of the Legacy Lighting System that is Malfunctioning in a day-burning manner within not less than thirty (30) days of said portion of the Legacy Lighting System having been identified as Malfunctioning.
- C. After thirty (30) days, any portion of the Legacy Lighting System, including any Legacy Light, that has been identified as Malfunctioning, but which has not been repaired or corrected by HOA shall be subject to rate doubling to account for 24-hour energy consumption.
- D. Notwithstanding HOA’s maintenance responsibilities for the Legacy Lighting System as outlined above and herein, HOA may request maintenance-related assistance or service from CITY, which may be provided or denied at CITY’s sole discretion. Following the transfer of the Legacy Lighting System from CITY to HOA, any future maintenance-related assistance or service provided by CITY to HOA shall be billed as follows:

- i. All future maintenance-related assistance or service shall be provided by a two (2) person crew of CITY employees operating a basic trouble vehicle.
- ii. There shall be a one-hour minimum for all future maintenance-related assistance or service requests.
- iii. The future maintenance-related assistance or service shall be billed by CITY to HOA at a rate of ONE HUNDRED NINETY-FIVE and 00/100 U.S. DOLLARS (\$195.00) per hour, subject to change as outlined below.
- iv. The time billed by CITY to HOA shall include the time required for CITY employees to travel in connection with the maintenance-related assistance or service.
- v. CITY may perform multiple on-site activities including, but not necessarily limited to, the disconnect, reconnect, or repair of multiple 120V-1ph electric service connections, during a single, scheduled service assistance call.
- vi. The rates charged to HOA by CITY for services in accordance with this *Legacy Lighting Transfer Agreement* shall be subject to change without notice to HOA on an annual basis, based upon the current equivalent rate for all electric work orders assessed by CITY.

**Section 8. Compensation for estimated electrical consumption following Transfer to CITY.**

- A. Following the transfer of the Legacy Lighting system as outlined above and herein, HOA shall compensate CITY for the estimated electrical consumption provided by CITY to HOA for the Legacy Lighting System as further outlined in this Section.
- B. HOA shall compensate CITY with a non-metered, per light, monthly fee beginning with the first monthly billing cycle following the transfer outlined above and herein.
- C. The basis for the rate with which HOA shall be assessed for estimated electrical consumption of the Legacy Lighting System shall be based on the maximum allowable power consumption rating for that class of lighting fixture as further outlined in this Section, regardless of the lumen output for the legacy high-pressure sodium (HPS) and metal halide (MH) fixtures, or any future lighting technology that may be installed by the HOA as a replacement of the legacy lighting system.
- D. The same rate shall apply to all future fixture replacements which may be undertaken or completed by HOA following the transfer of the Legacy Lighting System herein, except and unless the fixtures are converted to a non-electric style (including, but not limited to, solar-powered lighting), in which case there will be no rate for which the HOA is assessed for said fixtures. In any such case where fixtures are converted to a non-electric style, such fixtures shall not be eligible for re-connection in the future.
- E. HOA shall have the option to retrofit existing Legacy Lights to LED technology or other illumination technology at its sole responsibility and cost. Said retrofitted Legacy Lights may remain interconnected to the same non-metered service point provided that under no circumstances does the retrofit technology or equipment consume more electric power than the Legacy Light's original wattage rating category upon time of transfer. Any increase in maximum wattage consumption within that rate category will be considered a Malfunctioning light. CITY shall have the right to inspect retrofitted Legacy Lights to identify the current maximum wattage consumption rating.
- F. Following the transfer of the Legacy Lighting System herein, the HOA shall pay to CITY the following rates for the Legacy Lighting System maximum power consumption categories on a calendar monthly basis:

- i. For use of each non-metered transferred light fixture rated up to 80W maximum power consumption, the sum of FIVE U.S. DOLLARS AND TWENTY-FIVE CENTS (\$5.25);
  - ii. For use of each non-metered transferred light fixture rated from 81W to 150W maximum power consumption, the sum of TEN U.S. DOLLARS (\$10.00);
  - iii. For use of each non-metered transferred light fixture rated from 151W to 250W maximum power consumption, the sum of FIFTEEN U.S. DOLLARS AND SEVENTY-FIVE CENTS (\$15.75) per month; and
  - iv. For use of each non-metered transferred light fixture rated from 251W to 400W maximum power consumption, the sum of TWENTY-FIVE U.S. DOLLARS (\$25.00) per month.
- G. The rates referenced herein may be changed as approved by City Council as part of OEU's Tariff Rates but shall not change more frequently than once per 12-month period.

Section 9.     Additional Electrical Connections.

- A. HOA shall, at all times, ensure that no additional electrical connections are made to the existing Un-metered Electric Service Cabling.
- B. In the event that HOA makes, authorizes, or allows any additional electrical connections to the existing Un-metered Electric Service Cabling, then such action by HOA shall be considered Power Theft. In any such instance of Power Theft, CITY shall have the right to pursue recourse through any lawful means.
- C. In the event that HOA desires to tap into the existing electric service cabling, to support 120V-1ph electric service or otherwise, HOA shall contact CITY and request that an additional electric meter be installed. In cases where CITY installs such an additional electric meter as requested by HOA, CITY shall, at its sole and exclusive discretion, convert any attached lights, together with their additional service, to Standard GS Metered Service.

Section 10.    Removal of Legacy Lighting System from OEU's System.

- A. Following the transfer of the Legacy Lighting System by CITY to HOA as outlined above and herein, said system shall be removed from CITY's scope of responsibility for any and all maintenance and replacement activities beyond providing 120V-1ph electric service to the points of demarcation identified in Exhibit 1.
- B. Following the transfer of the Legacy Lighting System by CITY to HOA as outlined above and herein, said system will no longer be considered to be CITY/OEU Legacy Lights or private area lighting.
- C. Following the transfer of the Legacy Lighting System by CITY to HOA as outlined above and herein, said system will not be eligible for reconnection to CITY's current electrical connection at any time in the future.

Section 11.    HOA's Duty to Indemnify, Defend, and Hold Harmless CITY.

- A. HOA shall indemnify, defend, and hold harmless CITY, its elected and appointed officials, employees, agents, volunteers, and representatives, together with their heirs, representatives,

successors, executors, administrators, and assigns, from and against any and all suits and actions including attorneys' fees and all costs of litigation and judgments, claims for damages or injuries, including death, to persons or property of whatever kind or character, whether real, personal or mixed, arising out of, resulting from, or occurring in connection to the Legacy Lighting System, HOA's use of the Legacy Lighting System, or this *Legacy Lighting Transfer Agreement*, whether or not due to or caused by the negligence of the CITY.

- B. HOA shall further indemnify, defend, and hold harmless CITY, its elected and appointed officials, employees, agents, volunteers, and representatives, together with their heirs, representatives, successors, executors, administrators, and assigns, from and against any and all suits and actions including attorneys' fees and all costs of litigation and judgments, claims for damages or injuries, including death, to persons or property of whatever kind or character, whether real, personal or mixed, arising out of any maintenance-related assistance or service performed on the Legacy Lighting System by CITY.
- C. The provisions of this section shall also pertain to any claims, suits, or actions against CITY its elected and appointed officials, employees, agents, volunteers, and representatives, together with their heirs, representatives, successors, executors, administrators, and assigns by any employee, associate, agent, representative, or contractor of HOA, as well as the heirs, representatives, successors, executors, administrators and assigns of HOA.

Section 12. No Waiver of Sovereign Immunity.

- A. Nothing contained in this *Legacy Lighting Transfer Agreement* is intended to waive the CITY's sovereign immunity or any rights or limits of liability existing under Section 768.28, *Florida Statutes*.
- B. The provisions of this Section shall survive the termination of all performance or obligations under this *Legacy Lighting Transfer Agreement* and shall be fully binding until any proceeding brought under this *Legacy Lighting Transfer Agreement* is barred by any applicable statute of limitations.

Section 13. Waiver of Agreement Provisions.

- A. The failure or delay of any party at any time to require performance by another party of any provision of this *Legacy Lighting Transfer Agreement*, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power, or remedy hereunder.
- B. Any waiver by any party of any breach of any provision of this *Legacy Lighting Transfer Agreement* should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any right, power, or remedy under this *Legacy Lighting Transfer Agreement*.
- C. No notice to or demand on any party in any circumstance shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

Section 14. Severability of Agreement Provisions.

Wherever possible, each provision of this *Legacy Lighting Transfer Agreement* shall be interpreted in such a manner as to be effective and valid under the applicable law and, should any portion of this *Legacy*

*Lighting Transfer Agreement* be declared invalid for any reason, such declaration shall have no effect upon the remaining portions of this *Legacy Lighting Transfer Agreement*.

Section 15. Notices to Parties.

All notices, certifications, or communications required by this *Legacy Lighting Transfer Agreement* shall be given in writing and shall be deemed delivered when personally served, or when received if by facsimile transmission with a confirming copy mailed by registered or certified mail, postage prepaid, return receipt requested.

Notices can be concurrently delivered by e-mail and all notices shall be addressed to the respective parties as follows:

Section 16. Recovery of Attorneys' Fees.

If any civil action, arbitration, or other legal proceeding is brought for the enforcement of this *Legacy Lighting Transfer Agreement*, or because of an alleged dispute, breach, default, or misrepresentation in connection with any provision of this *Legacy Lighting Transfer Agreement*, the successful or prevailing party shall be entitled to recover reasonable attorneys' fees, sales and use taxes, court costs, and all expenses reasonably incurred even if not taxable as court costs (including, without limitation, all such fees, taxes, costs and expenses incident to arbitration, appellate, bankruptcy, and post-judgment proceedings), incurred in that civil action, arbitration or legal proceeding, in addition to any other relief to which such party or parties may be entitled. Attorneys' fees shall include, without limitation, paralegal fees, investigative fees, administrative costs, sales and use taxes, and all other charges reasonably billed by the attorney to the prevailing party.

Section 17. Waiver of Trial by Jury.

IN ANY CIVIL ACTION, COUNTERCLAIM, OR PROCEEDING, WHETHER AT LAW OR IN EQUITY, WHICH ARISES OUT OF, CONCERNs, OR RELATES TO THIS AGREEMENT, ANY AND ALL TRANSACTIONS CONTEMPLATED HEREUNDER, THE PERFORMANCE HEREOF, OR THE RELATIONSHIP CREATED HEREBY, WHETHER SOUNDING IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, TRIAL SHALL BE TO A COURT OF COMPETENT JURISDICTION AND NOT TO A JURY. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY. NEITHER PARTY HAS MADE OR RELIED UPON ANY ORAL REPRESENTATIONS TO OR BY ANY OTHER PARTY REGARDING THE ENFORCEABILITY OF THIS PROVISION. EACH PARTY HAS READ AND UNDERSTANDS THE EFFECT OF THIS JURY WAIVER PROVISION.

Section 18. Governing Law for Agreement.

This *Legacy Lighting Transfer Agreement* is and shall be deemed to be a contract entered and made pursuant to the laws of the State of Florida and shall in all respects be governed, construed, applied, and enforced in accordance with the laws of the State of Florida.

Section 19. Jurisdiction and Venue for Proceedings.

- A. The parties acknowledge that a majority of the negotiations, anticipated performance and execution of this *Legacy Lighting Transfer Agreement* occurred or shall occur in Marion County, Florida and any civil action or legal proceeding arising out of or relating to this *Legacy Lighting Transfer Agreement* shall be brought only in the courts of record of the State of Florida in Marion County or the United States District Court, Middle District of Florida, Ocala Division.
- B. Each party consents to the exclusive jurisdiction of such court in any such civil action or legal proceeding and waives any objection to the laying of venue of any such civil action or legal proceeding in such court and/or the right to bring an action or proceeding in any other court. Service of any court paper may be affected on such party by mail, as provided in this Agreement, or in such other manner as may be provided under applicable laws, rules of procedures or local rules.

Section 20.      Reference to Parties.

Each reference herein to the parties shall be deemed to include their successors, assigns, heirs, administrators, and legal representatives, all of whom shall be bound by the provisions hereof.

Section 21.      Mutuality of Negotiation and Interpretation of Ambiguities.

The Parties understand, acknowledge, and agree that this *Legacy Lighting Transfer Agreement* is the result of negotiations between the Parties. The Parties further understand, acknowledge, and agree that the Parties have been allowed equal input regarding the terms and wording of this *Legacy Lighting Transfer Agreement* and have had the benefit of consultation with their respective legal counsel (or have had the opportunity to consult with their respective legal counsel) prior to its execution, such that all language herein shall be construed equally against the Parties, and no language shall be construed strictly against its drafter.

Section 22.      Section Headings in *Legacy Lighting Transfer Agreement*.

The section headings herein are included for convenience only and shall not be deemed to be a part of this *Legacy Lighting Transfer Agreement*.

Section 23.      Rights of Third Parties.

- A. Nothing in this *Legacy Lighting Transfer Agreement*, whether express or implied, is intended to confer any rights or remedies under or because of this *Legacy Lighting Transfer Agreement* on any persons other than the Parties hereto and their respective legal representatives, successors and permitted assigns.
- B. Nothing in this *Legacy Lighting Transfer Agreement* is intended to relieve or discharge the obligation or liability of any third persons to any party to this *Legacy Lighting Transfer Agreement*, nor shall any provision give any third persons any right of subrogation or action over or against any party to this *Legacy Lighting Transfer Agreement*.

Section 24.      Amendments to *Legacy Lighting Transfer Agreement*.

This *Legacy Lighting Transfer Agreement* shall not be amended or otherwise modified unless such amendment or modification is made in writing and executed by both CITY and HOA.

Section 25. Execution in Counterparts.

This *Legacy Lighting Transfer Agreement* may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument.

Section 26. Use and Validity of Electronic Signatures.

- A. HOA, if and by offering an electronic signature in any form whatsoever, will accept and agree to be bound by said electronic signature to all terms and conditions of this *Legacy Lighting Transfer Agreement*.
- B. A duplicate or copy of the *Legacy Lighting Transfer Agreement* that contains a duplicated or non-original signature will be treated the same as an original, signed copy of this original *Legacy Lighting Transfer Agreement* for all purposes.

Section 27. Entirety of Agreement.

- A. This *Legacy Lighting Transfer Agreement*, including exhibits, constitutes the entire agreement between the Parties hereto with respect to the subject matter hereof and there are no other representations, warranties, promises, agreements or understandings, oral, written or implied, among the Parties, except to the extent reference is made thereto in this *Legacy Lighting Transfer Agreement*.
- B. No course of prior dealings between the Parties and no usage of trade shall be relevant or admissible to supplement, explain, or vary any of the terms of this *Legacy Lighting Transfer Agreement*.
- C. No representations, understandings, or agreements have been made or relied upon in the making of this *Legacy Lighting Transfer Agreement* other than those specifically set forth herein.

Section 28. Legal Authority to Execute *Legacy Lighting Transfer Agreement*.

Each person signing this *Legacy Lighting Transfer Agreement* on behalf of either party individually warrants that he or she has full legal power to execute this *Legacy Lighting Transfer Agreement* on behalf of the party for whom they are signing, and to bind and obligate such party with respect to all provisions contained herein.

Section 29. Effective Date of Agreement.

This *Legacy Lighting Transfer Agreement* shall be effective upon execution by CITY and HOA.

IN WITNESS WHEREOF, the parties have signed and set their seals and executed this *Legacy Lighting Transfer Agreement* the date first written above.

<sup>1</sup> X-Y Coordinates are based on State Plane Coordinates: NAD 1983 State Plane Florida West FIPS 0902 (US Feet), and are approximate to indicate the nearest transformer or secondary vault location that is the actual ownership demarcation point for the light cable system.

<sup>2</sup> In all cases, only the lights, light poles, light vaults, and electric cable solely utilized for providing electric service to the lights (from connection at transformers or secondary vaults) is ownership transferred to the Bellechase Home Owners Association. No transformers, secondary vaults, or interconnecting primary & secondary voltage conductors/cables are ownership transferred.
