## MEMORANDUM

---

DATE June 25, 2025  
TO: East Ocala CRA Advisory Committee  
FROM: Charlita R. Whitehead, Economic Development/Cultural Arts Project Coordinator,  
Growth Management  
RE: East Ocala CRA Residential Improvement Grant Program Grant Application  
CRA25-0011

---

**Address:** 837 NE 2nd St (Parcels: 2820-044-003)

**Applicant:** Jody Talmadge

**Project:** This project involves reroofing, repainting, and replacing the HVAC.

A summary of the work item and quotes received are presented in the attached CRA Project Cost Worksheet.

### **Findings and Conclusion:**

- The home was built in 1932.
- The applicant has lived in the home for 18 years and runs a hair salon from the property.
- The roof has holes, is leaking, and is currently covered with a tarp, leaving it vulnerable to heavy rain, weather related damage, and reduced energy efficiency.
- The HVAC system does not work properly and causes power surges.
- The exterior paint is chipping, leading to damage in the underlying wood, which now requires replacement. The home will be repainted to its current color.
- The grant will enable these essential improvements to be completed more efficiently, preventing further damage to the home.
- The improvements will increase energy efficiency, provide added weather protection, and increase the aesthetic appeal of the home.
- "1,392 structures, representing approximately 68.4 percent of the structures in the East Ocala CRA have issues concerning Quality of Structure....a concentration of older, poorly maintained and deteriorated buildings creates many negative influences in an area including a

loss of economic status, a lack of interest in new development, and increased occurrence of crime, and decreased revenues for businesses." - The East Ocala Community Redevelopment Plan

- The application meets the requirements and is eligible for grant consideration.

The Grant Review Committee (GRC) visited the property on April 15, 2025. The home was found to be a good candidate for this grant program. There are potential options for future improvements that could be supported by the grant including repair of the stairs to the back deck and landscaping. Please refer to the images below for highlights of the existing condition. The full application is also attached.

## CITY OF OCALA – COMMUNITY REDEVELOPMENT AGENCY EAST OCALA REDEVELOPMENT AREA RESIDENTIAL PROPERTY IMPROVEMENT GRANT PROGRAM

One of the statutory functions of a Community Redevelopment Agency (CRA) is to undertake activities that facilitate the redevelopment and improvement of properties. Incentive programs aimed at encouraging private investment into properties have proven to be a successful activity to carry out this redevelopment function.

Additionally, the appearance and use of buildings and structures is the basis of the public's overall impression of Ocala as it plays an important role in marketing Ocala as a special place. Improving the physical appearance and use of buildings will promote the attraction and retention of business operations and promote economic growth.

**Goal 1:** Strategies include – Provision of grants for properties which add value in the CRA and increase the potential for property redevelopment.

**Goal 2:** Restore value and prominence to gateways, corridor segments and crossroads by enhancing their physical appearance and visually differentiating their special character.

**Goal 3:** Improve vacant, dilapidated and nuisance properties which are barriers to corridor redevelopment and negatively impact the value of corridors and neighborhoods.

**Only work begun after approval by the Ocala CRA (CRA) will be eligible for a grant.**

**Work in progress or performed before approval will not be eligible.**

### HOW TO GET STARTED

Step 1: Gather two quotes; both should include the same scope of work (if painting yourself, print paint costs from paint suppliers).

Step 2: Complete the grant application attached or visit <https://ocalafl.civicserve.com/> to complete the online.

Step 3: Submit application and other required application materials by due date.

There are three ways to submit an application;

1. Submit online through the Ocala's economic development portal **CivicServe** (<https://ocalafl.civicserve.com/>);
2. Scan and email the application to [cra@ocalafl.gov](mailto:cra@ocalafl.gov); or
3. Mail or bring the application in person to 201 SE 3rd Street, Second Floor, Ocala, FL 34471.

## **II. Eligibility and General Requirements**

- (a) Eligible Applicants - Applicants for the Program must be the property owner. Proof of ownership is required.
  - 1. Proof can include: copy of deed, property appraiser tax card, or Ocala electric/utility bill.
- (b) Ineligible Properties - The following types of property are **not eligible** without City Council approval:
  - 1. Tax delinquent property
  - 2. Property in litigation
  - 3. Property in condemnation or receivership
  - 4. Property or tenants with outstanding financial obligations to the City.
- (c) Eligible Areas - The building or property must be located within the specified neighborhood outlined in the grant framework on page 11 of this application.
- (d) Ineligible Work:
  - 1. Grants cannot be used to correct outstanding code violations in an active code enforcement case.
  - 2. Only wood, masonry, and stucco are eligible for the paint grant. Vinyl and aluminum siding are not eligible.
- (e) Only work begun **after** approval by the Ocala CRA (CRA) will be eligible for a grant. Work in progress or performed before approval will not be eligible.
- (f) Any changes to the approved project will require a written request from the applicant and approval by the CRA in order to retain the grant. Staff will inspect work, following completion of project to confirm outcome as proposed.
- (g) Grants may be subject to cancellation if not completed or significant progress has not been made by the project completion deadline. Requests for extensions will be considered **only if** made in writing and progress toward completion has been demonstrated.

### III. Application Materials

- (a) Application packages must include enough documentation to illustrate the visual impact of the project and its cost. Failure to provide required information may delay the review process or cause the application to be ineligible. The following items are required to be submitted:
1. A completed application form.
  2. Proof of Ownership and homestead status.
  3. Color photographs of the existing conditions.
  4. Color photo examples of proposed colors.
  5. Project Schedule
  6. Project budget, showing detailed estimates for all work items. Do not include any design or permitting costs in the project estimate.
  7. At least 2 competitive bid proposals from contractors (licensed within the City of Ocala). These proposals should provide a detailed list of the work to be completed, a detailed breakdown of the costs, and the project schedule.
  8. Any other documentation necessary to illustrate the visual impact of the proposed project.
  9. Provide proof of property or liability content insurance (as applicable).

### IV. Application Submittal and Review Process

- (a) Options: Submit online through the Ocala's economic development portal **CivicServe** (<https://ocalafl.civicserve.com/>); Scan and email the application to [cra@ocalafl.gov](mailto:cra@ocalafl.gov); or Mail or bring the application to 201 SE 3rd Street, Second Floor, Ocala, FL 34471.
- (b) The property owner(s) as well as the applicant must sign the application agreeing to the General Conditions, set forth therein.
- (c) City Staff will review, document, and determine if the application meets all eligibility requirements and is sufficiently complete to review.
- (d) Staff may meet with applicant to review completed application.

- (e) Applications deemed complete will be reviewed by:
  - 1. the Grant Review Committee, who will make a site visit to the property to evaluate the application, scope of work and property condition; and,
  - 2. the CRA Advisory Committee to recommend if the project should receive a grant (according to priority criteria) and if so, recommend the amount of the award. The applicant is encouraged to attend the Advisory Committee meeting to answer questions about the project; and,
  - 3. the Ocala CRA Board that makes the final determination if a grant is approved. The determination is based on the evaluation criteria in Section V –Application Evaluation.
- (f) The CRA will notify the applicant/property owner in writing of award approval. Work cannot begin until applicant has received a written notice from the CRA indicating the grant has been approved.
- (g) Any deviation from the approved project must be reviewed and approved by the CRA.
- (h) City staff will review progress during renovation process.
- (i) Upon completion of work, city staff will inspect building to verify compliance with project application.

## **V. Application Evaluation**

After an application has been deemed to meet all eligibility requirements, the application will be evaluated, and a grant may be awarded based on the following criteria.

- (a) Does proposed project include the priority work elements of the CRA subarea grant program?
- (b) Is the structure historic?
- (c) Is the property located in the CRA?
- (d) What is the overall condition of the property?

## **VI. Reimbursement**

- (a) Upon submission of complete documentation, reimbursement will be made to the applicant. Submissions shall include:
  - 1. invoices for all work performed, with details of work clearly expressed;
  - 2. copies of cancelled checks;
  - 3. paid receipts for all labor materials; and,

4. lien waivers from all contractors and sub-contractors.
- (b) Reimbursement shall be made according to the requirements of each grant program.
- (c) The City reserves the right to refuse reimbursement of expenditures in whole or in part for work that:
1. Does not conform to the program guidelines.
  2. Does not conform to the proposal(s) submitted with the application and authorized by the CRA.
  3. Is not commensurate with the workmanship and costs customary in the industry.
  4. Is not completed within the established time frame (typically 6 to 12 months depending on the scope of the project). Since the CRA cannot reserve funds for projects indefinitely, projects may be subject to cancellation if not completed or if significant progress has not been made by the progress deadline. Requests for extensions will be considered only if made in writing and progress toward completion has been determined.
  5. Staff will inspect work to ensure that it complies with the approved plans. Any changes to the approved plan will require a written request from the applicant and approval by the CRA in order to retain the grant.
- (d) Reimbursement can be expected approximately **6 weeks** after all of the following documentation has been submitted:
1. Copies of all paid invoices and cancelled checks for all of the work covered by the grant. These must equal at least the required matching amount plus the amount of the grant. Invoices must be marked paid, signed, and dated by the contractors.
  2. Copies of the signed contracts with contractors chosen to do the work.
  3. Copies of lien waivers from all general contractors, subcontractors, and major material suppliers, if applicable.
  4. Photographs of the completed project.
- (e) Projects that have received a grant prior to having secured tenants for rental spaces must have at least partial occupancy before a reimbursement will be processed.

## GENERAL CONDITIONS

It is expressly understood and agreed that the applicant shall be solely responsible for all safety conditions and compliance with all safety regulations, building codes, ordinances, and other applicable regulations.

It is expressly understood and agreed that the applicant will not seek to hold the City of Ocala, the Grant Review Committee (Committee) and/or its agents, employees, board members, officers and/or directors liable for any property damage, personal injury, or other loss relating in any way to the Program.

It is expressly understood and agreed that the applicant will hold harmless the City, its agents, officers, employees and attorneys for all costs incurred in additional investigation or study of, or for supplementing, redrafting, revising, or amending any document (such as an Environmental Impact Report, specific plan, or general plan amendment) if made necessary by said proceeding and if the applicant desires to pursue such approvals and/or clearances, after initiation of the proceeding, which are conditioned on the approval of these documents.

The applicant authorizes the City of Ocala to promote any approved project including but not limited to displaying a sign at the site, during and after construction, and using photographs and descriptions of the project in City of Ocala materials and press releases.

If the applicant fails to perform the work approved by the Committee, the City reserves the right to cancel the grant. The applicant also understands that any work started/completed before the application is approved by the Committee is done at their own risk, and that such work will jeopardize their grant award.

Completion of this application by the applicant DOES NOT guarantee that grant monies will be awarded to the applicant.

## CONTRACT TERMS AND CONDITIONS

Unless otherwise specified, payment shall be due UPON COMPLETION of job - no exceptions. Contractor reserves the right to terminate contract at any time. Owner may be required to make a deposit or advance payment for specially ordered materials. Owner shall be responsible for payment of 5% of contract price and any specially ordered material due to cancellation of a signed contract. In the event that a work stoppage, ordered by the Owner, continues for a period of (30) days, the entire contract price shall become immediately due and payable. In the event of any work stoppage, the Owner shall provide for protection of the premises and any materials thereon and shall be solely responsible for any damage thereto or loss or theft thereof.

Unless otherwise specified herein, the price quoted does not include repairing/removing chimney, stucco, removing or replacing fascia, trim, sheathing, rafters, structural members, siding, masonry, vents, caulking, metal edging or flashing of any type.

The Owner shall be liable for any damage to sidewalks, curbs, driveways, structures, septic tanks, sewer lines, shrubs, lawn, trees, sprinkler systems, telephone, or cable lines, satellite dishes, swimming pools / pumps, outdoor furniture or the like caused by the Contractor, or its authorized subcontractors, suppliers, agents, employees, or other representatives. For skylight replacement, Contractor is not liable for interior damage due to said replacement (i.e. Debris falling into structure or drywall damage [resulting from removal of old skylight] on interior of structure). Owner further warrants and represents that he shall be responsible for the condition of the premises over which the Contractor has no control and shall be liable for any damage to the premises or property caused thereby. Owner agrees to indemnify and hold harmless the Contractor for any damage resulting from Contractor or its agent crossing adjacent real property in order to access the Owner's real property. Owner and/or their representative(s) will hold harmless and indemnify the Contractor against any claims for accident/injury that may occur on property during project duration. Owner and/or their representative(s) shall not be permitted on or around job site during project duration (near or on construction debris area).

Contractor is not responsible for any existing conditions or items such as, including but not limited to, chimney base or counter flashing, leaking caused by flashing at the junction of metal pan roof to main roof, especially at places such as Florida rooms or existing tie-in structures, which connect to the main structure. Owner acknowledges that Florida rooms, screen rooms, or other existing tie-in structures may leak because of the following: the metal pan has insufficient slope, wind-driven rain occasionally travels uphill, temperature changes cause dew or condensation on the metal pan roof. Contractor is not responsible for any attic lines such as A/C, electric, or phone that are damaged due to improper installation according to the Building Code.

Any warranty shall be limited to that provided by the manufacturer of the products and materials used in construction, if any. Contractor makes no express or implied warranties of any kind other than what is specified herein. All warranties, unless otherwise noted, are nontransferable. Unless written approval is obtained from an authorized representative from Big D – Don Stauss – Roofing Services, any work performed by an authorized representative, after work is completed by Big D – Don Stauss – Roofing Services, shall cause all warranties to be null and void.

Where colors of materials are intended to match, Contractor neither expressly nor impliedly guarantees said match.

Contractor will not be responsible for any damages caused by leaks or other problems, in the event that the owner does not inform the Contractor of the leak or other problem within 72 hours of leak or problem occurrence. Owner agrees to indemnify and hold harmless the Contractor (and Contractor's insurer) for alleged or actual damages / claims as a result of mold, algae, or fungus. It is understood that the Contractor's insurer will exclude all coverage, including defense for damage related to bodily injury, property damage, and clean up directly or indirectly in whole or in part for any action brought by mold, including fungus and mildew, regardless of cost, event, material, product or workmanship that may have contributed concurrently or in any sequence to the injury or damage that occurs.

If Contractor's performance shall be in any way prevented, interrupted, or hindered as a consequence of an act of God, or civil disturbance, riot, strike, lockout, fire, hurricane, or other natural calamities, legislation or restriction of any government or other authority, force majeure or any other circumstances beyond the control of the Contractor, Contractor's obligation shall be wholly or partially suspended during the continuance and to the extent of such prevention, interruption or hindrance.

This Agreement constitutes the entire agreement between the parties and supersedes any representations, warranties, or agreements (written or oral) heretofore made or entered into between the parties. This Agreement shall be governed by the laws of Florida applicable to contracts made and to be performed in Florida. Except as prohibited by law, the parties irrevocably consent to the jurisdiction of the State Courts located in Marion County, Florida.

Changes, modifications, waivers, additions or amendments to this Agreement, shall be binding on Contractor only if such are in writing and signed by a duly authorized representative of Contractor. The failure on Contractor to enforce, at any time or for any period of time, any of the provisions of this Agreement, shall not constitute a waiver of such provisions or of the right of Contractor to enforce each and every provision.

Florida Homeowner's Construction Recovery Fund: Payment, up to a limited amount, may be available from the Florida Homeowners' Construction Recovery Fund if you lose money on a project performed under contract, where the loss results from violations of Florida law by a licensed contractor. For information about the Recovery Fund and filing a claim, contact the Florida Construction Licensing Board at the following telephone number and address: Construction Industry Licensing Board, 2601 Blairstone Road, Tallahassee, Florida 32399-1039, 850-487-1395
