8. General Business

- 8a.** Approve a ten-year Interlocal Agreement between Marion County, Florida, and the City of Ocala for the provision of continued animal control services within the limits of the city with an expenditure amount for FY22/23 of \$502,700

Councilman Mansfield made a motion to approve the Interlocal Agreement for the Provision of Continued Animal Control Services between Marion County, Florida and the City of Ocala as presented with the minor adjustment of the first annual payment from \$188,655.11 to \$185,747.11 - which represents a \$2,908.00 savings to the City – and with the addition of language requiring Marion County to return to the City of Ocala any equipment paid for by the City of Ocala, provided that said equipment is not more than five years old.

Council Member Dreyer asked why the start date was modified in the agreement. City Attorney Sexton explained the new start date aligns with the fiscal year.

Council Member Musleh asked if the contract includes a cancellation clause. Assistant City Manager Ken Whitehead responded the City can terminate the contract within 18-months written notice after 4.5-years.

City Attorney Sexton confirmed Section 10B allows the City to terminate the contract with a 30-day notice for failure to provide the obligated services.

Council Member Musleh requested the City provide an annual report to Council twice a year.

City Attorney Sexton confirmed the agreement includes the obligations and standard of

services with Council Member Dreyer.

City Manager Pete Lee assured Council the level of services will be maintained by having two dedicated officers. Furthermore, quarterly reports will be provided to Council.

Council Members Dreyer and Bethea requested the City add language regarding the return of equipment upon termination of the contract.

Brian Creekbaum, 103 NE 31st Terrace, provided a brief overview of the County's poor animal control services. He expressed concern regarding the proposed 5-year contract term. He requested Council consider the County's negligence before executing the agreement.

Motion amended: Approve a ten-year Interlocal Agreement between Marion County, Florida, and the City of Ocala for the provision of continued animal control services within the limits of the city with an expenditure amount for FY22/23 of \$502,700, with an additional provision of language to be included for the County to return to the City equipment purchased within five years of termination of the agreement.

There being no further discussion the motion carried by roll call vote.

8b. Adopt Resolution 2023-24 revising the official golf cart map to include portions of downtown Ocala

Kyle Yancey, Ocala Main Street Board Member, 1519 SE 24th Avenue, spoke in support of the expansion. The survey shows 80% of Downtown businesses support the expansion. Furthermore, the expansion will greatly benefit the community and improve parking/traffic. The Police Department confirmed there have been no major incidents involving golf carts; and the ordinance was updated to promote pedestrian safety by requiring golf cart operators to have a driver's license.

Tim Bascom, 2335 SE 7th Street, spoke in support of the expansion. The expansion will greatly benefit small business owners Downtown by increasing foot traffic. Furthermore, Council should take into consideration zero bodily injury claims related to golf carts.

Kris Zlotecki, 4527 E Fort King Street, spoke in support of the expansion. He is the General Manager for a hospitality group located Downtown. He noted two golf carts can fit into one parking space, which will remedy the existing parking issues. Furthermore, they plan on dedicating parking for golf carts to increase business Downtown.

Jessica Fieldhouse, Executive Director at Ocala Main Street, 10527 SE 52nd Court,

spoke in favor of the expansion. The Harvard study predicted golf carts will be a transformable option for future transportation. Research shows neighboring communities are expanding their golf cart programs; and the proposed map has safer boundaries off major roadways. She requested Council adopt the resolution.

Larry Busch, President at Ocala Main Street, 9174 SE 7th Avenue Road, spoke in favor of the expansion. He explained how expanding the use of golf carts will increase business Downtown.

Michael Carey, 2425 SE 13th Street, spoke in favor of the expansion. He explained how golf cart insurance is very affordable and a safer vehicle option for the public.

Brian Creekbaum, 103 NE 31st Terrace, expressed concern regarding the lack of enforcement for golf carts being operated outside the Golf Cart District.

Brian Ray, 94 SW Fort King Street, stated his lot Downtown (110 SW Fort King street) can be used to provide 148 golf cart spaces. Furthermore, golf cart usage will increase business Downtown; and golf carts are safer for the public, due to their low speeds.

Snow Boyd, 1426 SE 47th Street, spoke in favor of the expansion. He noted Downtown businesses support expanding the use of golf carts.

Council Member Mansfield spoke in favor of adopting the resolution. The expansion will establish Downtown Ocala as a popular public destination. The goal is to encourage the public to visit Downtown by means of golf cart, bicycle, or walking. To note, the use of golf carts does not pose a safety hazard to the public. He encouraged Council to support adopting the proposed resolution.

Council Member Musleh expressed concern the expansion will increase vehicle/golf cart accidents. Furthermore, he will not be voting in favor of the adoption.

Council Member Dreyer spoke in favor of adopting the resolution. The Police Department confirmed there have been no major incidents involving golf carts; and two insurance agents confirmed there are zero bodily injury claims related to golf carts.

Council Member Bethea expressed concern regarding the public using alcohol while operating a golf cart.

Council President Hilty spoke on safety issues he has witnessed regarding golf cart operators.

Growth Management Director Tye Chighizola confirmed the Traffic Engineer drafted the map and ordinance.

City Attorney Sexton clarified the City's liability.

City Engineer & Director of Water Resources Sean Lanier provided a brief overview of

the traffic study process for golf carts.

Council President Hilty expressed concern expensing taxpayer money for golf cart signage.

Mr. Chighizola confirmed less than 300 people have registered their golf cart with the City. The City charges \$30 for a golf cart permit. To note, the City made changes to the Downtown area in 2021, to promote pedestrian safety and golf carts.

Council Member Dreyer stated the majority of the businesses Downtown support the expansion. She questioned why some Council Members are basing their decision on assumptions, not facts, which is unfair to the public.

Council Member Mansfield discussed how City transportation has evolved over history. He encouraged Council to support expanding the use of golf carts Downtown.

Mayor Guinn spoke in support of adopting the resolution.

Mr. Chighizola commented if Council approves the resolution, the proposed effective date is August 1, 2023, to finish installing signage. He requested feedback from Council regarding the effective date.

Mr. Lanier suggested scheduling the effective date 90-days out to August, due to signage supply chain issues.

Council agreed to an effective date of August 1, 2023.

There being no further discussion the motion carried by roll call vote.

Council Member Dreyer asked why the City did not perform an additional extension to the existing contract. City Engineer & Director of Water Resources Sean Lanier responded the vendor chose not to honor the contract renewal.

Procurement & Contracting Officer Daphne Robinson confirmed the City solicited the project to 719 vendors; only one vendor expressed interest. The timeline for solicitation is dependent on the department. She provided a brief overview of the City's solicitation process.

Council Member Dreyer expressed concern the solicitation emails are being spammed. She requested the City evaluate their solicitation methods and perform sampling.

City Manager Pete Lee stated the City will perform sampling to insure vendors are receiving the City's email solicitations.

Council Member Dreyer stated she will be voting no.

Council Member Musleh encouraged the vendors to evaluate their email settings to avoid missing vendor partnership opportunities.

Council Member Mansfield concurs with fellow Council Member Dreyer. He requested the City improve the solicitation process, and call local vendors to solicit bids.

Mr. Lanier clarified the contract with Mayor Guinn. To note, the expenditure must not exceed \$5,000,000.

Mr. Lee stated the City will perform outreach to see if the vendors are receiving the solicitation emails.

Mr. Lanier provided a brief overview of the project cost evaluation process for unit pricing.

Council Member Mansfield expressed concern using unit pricing.

Mayor Guinn suggested the City resolicit for bids, and perform community outreach.

Council President Hilty requested the City improve the solicitation process to secure more bids.

Mr. Lanier stated resoliciting for bids will delay road improvements. He provided a brief history of C.W. Roberts Contracting and Anderson.

Council Member Dreyer spoke in favor of resoliciting for bids.
