Project Title

SW/NW 44th Avenue Phase 1

Project Location

SW 43rd Street Road/SW 43rd Court from SR 200 to SW 20th Street

Project Description/Justification

This project will fill in gaps on SW 43rd Street Road/SW 43rd Court to provide a continuous two-lane roadway from SR 200 to SW 20th Street. Scope includes extending the existing two-lane SW 43rd Street Road from the cul-de-sac (Cheddar's restaurant) to SW 43rd Court; mill & resurface the existing two-lane SW 43rd Court from north of SW 43rd Street Road to SW 32nd Street; extending SW 43rd Court from SW 32nd Street to existing Lift Station; rehabilitating the partially built four-lane SW 43rd Court from the Lift Station to SW 20th Street; and installing a new mast arm signal at the intersection of SW 43rd Court & SW 20th Street. Project is expected to expand and stimulate economic opportunities along the SW 43rd Court (aka SW 44th Avenue) Corridor; improve the capacity of the road system in southwest Ocala; increase access and mobility for all users including to/from the Ocala International Airport located within 2 miles of the project; reduce travel-time and travel costs to all users; and provide an alternative parallel roadway for incident management on I-75.
