Developer shall be entitled to an automatic extension to the Deadline for Completion provided in paragraph 9.1.4 caused due to any failure of the City to perform any of its obligations within the Deadline therefor as set forth in this paragraph 9. Such extension shall be equal to the actual number of days of any such delay.
 - 9.2.3. Except as provided in paragraph 9.2.1, 9.2.2 or pursuant to other express provisions of this Agreement (e.g., in paragraph 12), there shall be no other extension of any performance obligation except through formal amendment of this Agreement.
- 9.3. Attached hereto as **Exhibit C** is a spreadsheet of a sample timeline (the “*Timeline*”) demonstrating the Schedule set forth in paragraph 9.1.
 - 9.3.1. The Timeline is merely an example of the calculation of dates pursuant to such schedule; because the performance of certain obligations will likely occur prior to the exact date of the Deadline therefor as set forth in the Timeline, it is very unlikely that the Timeline will reflect the actual schedule.
 - 9.3.2. In the event of a conflict between the Timeline and paragraph 9.1, the provisions of paragraph 9.1 shall prevail.

10. **Default.**

- 10.1. Force Majeure. Neither party shall be held in default of this Agreement for any delay or failure of such party in performing its obligations pursuant to this Agreement if such delay or failure is caused by Force Majeure as set forth below.
- 10.2. Notice and Opportunity to Cure. Prior to declaring a default hereunder, the non-defaulting party must provide the defaulting party with written notice and at least thirty (30) days to cure such default.
 - 10.2.1. Provided, however, if the default is of a nature that cannot be reasonably cured within such 30-day period, then the defaulting party shall be allowed a reasonable period of time to cure such default provided that it diligently commences the cure within the 30-day period and thereafter undertakes and pursues such cure.
 - 10.2.2. Further provided, however, that no prior notice or opportunity to cure need to be provided concerning a party's failure to close as and when required by this Agreement.
 - 10.2.3. In addition to the foregoing provisions concerning notice and an opportunity to cure, in the event that City desires to demand payment under any Adequate Assurance, City must (except as expressly set forth in other provisions of this Agreement), after expiration of the foregoing time periods for notice and opportunity to cure, provide Developer with an additional written notice and at least thirty (30) days to cure such default.
- 10.3. Remedies. The Non-Defaulting Party may pursue, following the occurrence of default and expiration of any necessary notice or opportunity to cure, all remedies at law or equity against the defaulting party, including, without limitation:
 - 10.3.1. Termination of this Agreement based upon a default prior to Closing;
 - 10.3.2. Specific performance based upon a default by City before Closing, or default by City or Developer after Closing; or
 - 10.3.3. Any other remedies specifically set forth in this Agreement (including City demanding payment of the Adequate Assurance or Right-of Reverter).
- 10.4. Remedies Not Exclusive. The specific rights and remedies to which City and Developer are entitled under this Agreement are not exclusive and are intended to be in addition to any other means of redress which City or Developer may have under this Agreement.
- 10.5. No Consequential Damages. Notwithstanding paragraph 10.3, under no circumstances will City or Developer be liable for consequential damages,

including lost profits, the right to such damages being expressly waived.

10.6. **No Waiver.** The failure by City or Developer to promptly insist on strict performance of any provision of this Agreement shall not be deemed a waiver of any right or remedy that City or Developer may have and shall not be deemed a waiver of a subsequent default or nonperformance of such provision.

10.7. **Effect of Termination.** In the event that a party terminates this Agreement under this paragraph 10 or any other provision of this Agreement:

10.7.1. Prior to conveyance of the Property, this Agreement shall be deemed terminated in its entirety; or

10.7.2. After conveyance of the Property, such termination shall not affect the obligations of the parties as to the Project.

11. **Survival.** Notwithstanding the termination of this Agreement (except a termination of the entire Agreement under paragraph 10.3.1) or the prior performance by the parties hereunder, the following paragraphs of this Agreement shall survive and remain effective: paragraph 10.5, and 14 through 27.

12. **Force Majeure.** Delays in performance due to: fire; flood; hurricane; tornado; earthquake; windstorm; sinkhole; unavailability of materials, equipment or fuel; war; declaration of hostilities; terrorist act; civil strife; strike; labor dispute; epidemic; archaeological excavation; act of God or nature; or any other matter beyond the control of the party obligated to perform that constitutes an excuse under Florida law based upon the doctrine of “impossibility of performance,” shall be deemed events of Force Majeure and such delays shall be excused in the manner herein provided. If a party is delayed in any performance required by this Agreement because of an event of Force Majeure, the date for action required or contemplated by this Agreement shall be extended by the number of days equal to the number of days such party is delayed. The party seeking to be excused based on an event of Force Majeure shall give written notice of the delay indicating its anticipated duration. Each party shall use its best efforts to rectify any conditions causing the delay and will cooperate with the other party, except for the occurrence of unreasonable additional costs and expenses to overcome any loss of time that has resulted. Specific references in this Agreement to deadlines as to which Force Majeure shall apply shall not be interpreted as intending to exclude the application of Force Majeure from other performance.

13. **Assignment; Interest Transfer.**

13.1. Developer may not, without the written consent of City which may be withheld or conditioned by City in its sole discretion, assign its rights or obligations under this Agreement, in whole or in part, until the Completion of the Project.

13.2. No membership interest in Developer may be transferred (an “Interest Transfer”) until Completion of the Project except as follows:

- 13.2.1. An interest held by a Developer Principal may be transferred to (a) another Developer Principal, (b) an entity in which the Developer Principals, individually or collectively, own at least 51% ownership and voting interests, or (c) any trusts, all of the beneficial interests of which are owned by Developer Principals, individually or collectively, or their immediately family members; or
 - 13.2.2. Upon the written consent of City, which may be withheld or conditioned by City in its sole discretion.
- 13.3. Following Completion of the Project:
 - 13.3.1. Developer may assign this Agreement in whole or in part; and
 - 13.3.2. Any Interest Transfer may be made.
- 13.4. Promptly after any Interest Transfer before Closing, Developer shall provide notice thereof to City which shall include sufficient information for City to determine whether the Interest Transfer was permissible under this Agreement; such information could include an affidavit from a Developer Principal with personal knowledge of the matters set forth therein and need not be copies of operating agreements, partnership agreements or other documents that Developer deems confidential.
- 13.5. In the event of permitted assignment hereunder, and to the extent of the assignment:
 - 13.5.1. The assignee will have all rights and obligations of Developer.
 - 13.5.2. The assignee shall be entitled to amend the provisions of this Agreement without the joinder or consent of Developer.
 - 13.5.3. The assignee shall be permitted to terminate this Agreement as otherwise provided in this Agreement without the joinder or consent of Developer or any prior assignee.
 - 13.5.4. In the event of an assignment in connection with a sale of all of Developer's rights in a Project, the assignor shall be released from all liability under this Agreement for actions or inactions after, but not before, such assignment.
- 13.6. By executing this Agreement, Developer agrees, and by accepting any assignment, each assignee agrees, to the foregoing provisions of this paragraph 13 concerning the ability of an assignee to amend or terminate this Agreement.
- 14. **City's Police Powers.** Nothing in this Agreement shall serve to affect or limit City's police powers in the exercise of rezoning decisions or other governmental action

associated with the proposed redevelopment of the Property or any Development Order associated therewith.

15. **Sovereign Immunity.** Notwithstanding any other provision set forth in this Agreement, nothing contained in this Agreement shall be construed as a waiver of City's right to sovereign immunity under Section 768.28, Florida Statutes, or other limitations imposed on City's potential liability under state or federal law. As such, City shall not be liable under this Agreement for punitive damages or interest for the period before judgment. Further, City shall not be liable for any claim or judgment, or portion thereof, that exceeds the applicable limit of liability under applicable law (currently Section 768.28(5), Florida Statutes). This paragraph shall survive termination of this Agreement.
16. **Resolving any Invalidity.** City and Developer hereby agree that in the event this Agreement or the economic incentives described herein are ever challenged by any person and held to be invalid by a court of competent jurisdiction, each will cooperate with the other, in good faith, to resolve the invalidity or pursue a valid alternative means to secure a substantially similar and equitable financial arrangement which the parties acknowledge was the inducement for Developer undertaking the Project.
17. **Real Estate Commission.** Developer represents and warrants to City, and City likewise represents and warrants to Developer, that they have neither dealt nor negotiated with any broker or finder in connection with the sale of the Property to the Developer, each party hereto agrees to indemnify and hold the other harmless from any and all claims, demands, causes of action or other liability, and all costs and expenses, including reasonable attorney's fees and disbursements incurred in defending against any such claims, arising from or pertaining to any brokerage commission, fees, cost or other expense which may be claimed by any broker or person by reason of any claims arising out of the actions of the Developer (as to the indemnity obligations of Developer) or arising out of any actions of the City (as to the indemnity obligations of City).
18. **Notice.**
 - 18.1. 18.3. If a Communication is delivered by multiple means, the Communication shall be deemed delivered upon the earliest date determined in accordance with paragraph 18.2.

18.4. If the above provisions require Communication to be delivered to more than one person (including a copy), the Communication shall be deemed delivered to all such persons on the earliest date it is delivered to any of such persons.

18.5. Concerning Communications sent by email:

18.5.1. The Communication shall not be deemed to have been delivered if the sender receives a message from the sender's or the recipient's internet service provider or otherwise that the email was not delivered or received;

18.5.2. If the sender receives an automatic reply message indicating that the recipient is not present to receive the email (commonly referred to as an "out of the office message"), the email shall not be deemed delivered until the recipient returns;

18.5.3. Any email that the recipient replies to, or forwards to any person, shall be deemed delivered to the recipient.

18.5.4. The sender must print the email to establish that it was sent (though it need not do so at the time the email was sent); and

18.5.5. The sender shall maintain the digital copy of the email in its email system for a period of no less than one year after it was sent.

19. **Successors and Assigns.** All covenants and agreements in this Agreement made by or on behalf of any parties hereto shall bind and inure to the benefit of the respective successors and assigns of the parties hereto.
20. **Attorney's Fees.** If any legal action or other proceeding (including, without limitation, appeals or bankruptcy proceedings) whether at law or in equity, which: arises out of, concerns, or relates to this Agreement, any and all transactions contemplated hereunder, the performance hereof, or the relationship created hereby; or is brought for the enforcement of this Agreement, or because of an alleged dispute, breach, default or misrepresentation in connection with any provisions of this Agreement, the successful or prevailing party or parties shall be entitled to recover reasonable attorney's fees, court costs and all expenses even if not taxable as court costs, incurred in that action or proceeding, in addition to any other relief to which such party or parties may be entitled.
21. **Severability.** In the event any of the terms and provisions of this Agreement are determined to be unenforceable, for any reason whatsoever, such unenforceability shall in no way affect or eliminate the enforceability of all of the remaining terms and provision of this Agreement.
22. **Mutuality of Negotiation.** Developer and City acknowledge that this Agreement is a result of negotiations between Developer and City and the Agreement shall not be construed in favor of, or against, either party as a result of that party having been more involved in the drafting of the Agreement.
23. **Time.**
 - 23.1. Time is of the essence of all of the provisions and terms of this Agreement.
 - 23.2. If a time period is five (5) days or less, intervening Saturdays, Sundays or legal holidays will be excluded from the calculation.
