Dear Michael Balken:

The Florida Department of Transportation (FDOT) State Safety Office is pleased to inform you that the following concept paper has been selected to receive subgrant funding in FY2025 for your traffic safety initiative.

PLEASE NOTE: THIS IS NOT A NOTICE TO PROCEED WITH ANY ACTIVITIES OR PURCHASES ASSOCIATED WITH THE SELECTED CONCEPT PAPER. A separate subgrant agreement must be signed and executed by both your agency and the FDOT State Safety Office before any activity or purchases are authorized for reimbursement. Step-by-step instructions for subgrant development are provided later in this letter.

Funding amounts allocated in FY2025 are based upon funding levels awarded to the State of Florida for the federal fiscal year by the National Highway Traffic Safety Administration (NHTSA) and may not be the same as the amount requested in your concept paper and does not mean that everything listed in the concept paper, including any equipment requests, were approved and/or funded.
