Please tell us about yourself and why you want to serve.

Why do you think you are qualified to serve on this board/commission?

I have lived on the west side since 1970 and I care about how our community looks and who needs assistance from the city and how to go about getting it. I serve as a director on the board with the "Poinciana Heights Homeowners and Renters Task Force Meeting." I enjoy talking to the people in the neighborhood about improvements that need to be done to enhance our community, as well as making it a safe place for our children to walk and play. I would be delighted to work with the city to see some of these changes take place on the west side.
