

CITY OF OCALA – COMMUNITY REDEVELOPMENT AGENCY EAST OCALA REDEVELOPMENT AREA RESIDENTIAL PROPERTY IMPROVEMENT GRANT PROGRAM

One of the statutory functions of a Community Redevelopment Agency (CRA) is to undertake activities that facilitate the redevelopment and improvement of properties. Incentive programs aimed at encouraging private investment into properties have proven to be a successful activity to carry out this redevelopment function.

Additionally, the appearance and use of buildings and structures is the basis of the public's overall impression of Ocala as it plays an important role in marketing Ocala as a special place. Improving the physical appearance and use of buildings will promote the attraction and retention of business operations and promote economic growth.

Goal 1: Strategies include – Provision of grants for properties which add value in the CRA and increase the potential for property redevelopment.

Goal 2: Restore value and prominence to gateways, corridor segments and crossroads by enhancing their physical appearance and visually differentiating their special character.

Goal 3: Improve vacant, dilapidated and nuisance properties which are barriers to corridor redevelopment and negatively impact the value of corridors and neighborhoods.

Only work begun after approval by the Ocala CRA (CRA) will be eligible for a grant.

Work in progress or performed before approval will not be eligible.
