Re: Request for Waiver of Fees

Council Members and City Officials,

First, thanks for the opportunity to submit this letter of request. The Board of Trustees, Leaders, and Members of the Greater New Bethel Baptist Church humbly request consideration for the waiver of fees up to \$3,000. Our ministry is currently in the process of building additional space to our existing structure. This addition will allow us to better serve our community through our youth and community initiative, The Ascension Project, and the added space is an important factor for our service. We are blessed to have already served nearly 800 families throughout the county through our community development initiative without any grant funding for our community service; therefore, any funds we can retain will allow us to continue to provide more program outreach to our youth and families in need. Thank you for considering our request.

Humbly Submitted,

Bishop Tanya M. Hanks, Pastor
