CITY COUNCIL REPORT

Council Meeting Date: 12/21/21

Subject: Renewal Honeywell Connexo Software Upgrade

Submitted By: Lisa M. Crouthamel

Department: Electric Utility

STAFF RECOMMENDATION (Motion Ready): Approve Agenda Item (ID # 16296) renewal of the Honeywell Connexo NetSense electric meter software maintenance for FY22 and subsequent years as long as the software is in use in the amount of \$60,719

OCALA'S RELEVANT STRATEGIC GOALS: Operational Excellence

PROOF OF PUBLICATION:

BACKGROUND:

In 2008, the City entered into a contract with Elster Solutions LLC, now Honeywell, to supply all the electric revenue meters for the implementation of our Advanced Metering Infrastructure (AMI). Honeywell also provides the information system that communicates with all the meters and houses all the data collected from those meters including electrical consumption data, billing and alarms for troubleshooting. This information system is vital for monitoring and operating all aspects of the AMI system and electric revenue billing.

FINDINGS AND CONCLUSIONS: Ocala Electric Utility is requesting to renew the maintenance software contract.

FISCAL IMPACT: Funds to support the \$60,719 software maintenance were approved in the FY22 budget in account 457-032-276-531-53-46010.

PROCUREMENT REVIEW: This renewal has been reviewed and approved for compliance with the City's purchasing policies.

LEGAL REVIEW: The amendments will be reviewed and approved for form and legality by the City Attorney, Robert W. Batsel, Jr.
