Re: The Keys at Ocala I - PD (the "Project")  
4240 SW 43<sup>rd</sup> and 4300 SW 43<sup>rd</sup> Court - Ocala, Florida (the "Property")

Dear Distinguished Members:

NOT supporting  
DO NOT  
I am submitting this letter ~~in support~~ of Planned Development for a multi-family development referred to as the Keys at Ocala I at the above-referenced Property, and further support the Property being annexed into the City limits and being rezoned for such use. We feel that the owner/developer has enhanced the architectural design of the buildings and landscaping and increased the open space and setbacks in such a manner that the proposed development will now be more conducive with the adjacent neighborhood to the west. NO.

Sincerely,

Not okay w/ this  
being a development  
Property - I would buy  
the land if it were  
residential - Build up  
your own town city!

- No space for more families in ocala-
- Schools are @ max capacity - most over full!
- Road cannot handle this traffic
- TOO MANY units - Two story !!?? 6 + 4 per = TOO much!
- extend saddlewood estates w/ single residence homes!
- Do NOT destroy this land - Build in YOUR Town -
- DONT want the noise/pollution/traffic oh wait, NO room left!
