Your policy exception has been **approved**.

The department is approved to piggyback the contract awarded to Ring Power Corporation by the City of Tallahassee, Contract No. 5073, for the provision of municipal construction and utility equipment through March 31, 2026. These good and services were competitively solicited by City of Tallahassee under RFP No. RFP-130-20-KM. Multiple vendors responded to the solicitation and on December 7, 2020, contract awards were made to Ring Power Corporation for agricultural and material construction and utility equipment. The original contract was awarded for a term of five years from April 1, 2021 through March 31, 2026 with one five year extension. Ring Power has agreed to extend pricing and services to the City of Ocala under the same terms and conditions as Contract No. 5073. This pricing has been found to be fair and reasonable by staff and Procurement. PLEASE ESTABLISH A MUNIS CONTRACT NUMBER AND ISSUE A REQUEST TO CONTRACTING SO THAT A FORMAL PIGGYBACK AGREEMENT CAN BE PREPARED. BECAUSE THIS PURCHASE WILL EXCEED \$50,000, THE CONTRACT NEEDS TO BE PLACED ON A COUNCIL AGENDA. PLEASE ENSURE THAT THIS EXCEPTION APPROVAL IS ATTACHED TO THE MUNIS CONTRACT, CONTRACT REQUEST, AND AGENDA ITEM.

Fleet would like to piggyback off the City of Tallahassee contract agreement to purchase a 20-ton crane. The manufacturer no longer utilizes Sourcewell. A quote was requested from Altec, but they only have a 30-ton which is too large.
