Any funds paid in excess of the amount to which the participating agency is entitled under the terms and conditions of the agreement must be refunded to FDLE. Factual misrepresentations of drone purchases or other certifications will result in the loss of funding.

Funds under this agreement will be disbursed when all the following criteria are met:

- Executed agreement is signed by the Chief Official and provided to OCJGSFA@fdle.state.fl.us;
- The Drone Funding Request Form (Appendix A) is prepared and signed by the Chief Official and provided to OCJGSFA@fdle.state.fl.us; and

How many additional drones are you seeking with these funds? 2Based on your request, you are seeking an award amount of \$ 50,000.00
(max reimbursement of \$25,000 per drone)

Provide any additional information we should consider when reviewing this request.

Ocala Fire Rescue is requesting the acquisition of two new drones to enhance our emergency response capabilities. These new assets will be integrated into our operations for every day response, special events, fire investigations/inspections, joint operations with our local law enforcement agencies and managing complex high-hazard incidents (IE: commercial structure fires, large-scale incidents, and Hazardous Materials response.) The drones are a critical tool for protecting our community and our first responders by providing essential information before they are placed in harm's way. The two drones we currently possess-generously donated by Florida Highway Patrol-are rapidly becoming unusable as the manufacturer has discontinued the model. In the short time we've had them, they have proven invaluable.

By signing below, I am submitting the request to receive funding in accordance with the revised Drone Replacement Program guidelines cited above.

Appendix B – FY2025-26 State Financial Assistance Standard Conditions

The following terms and conditions will be binding upon approval of the grant award and execution of the contract by both the Recipient and the Florida Department of Law Enforcement. The Recipient will maintain required registrations and certifications for eligibility under this program.

The Department and the Recipient agree that they do not contemplate the development, transfer or receipt of intellectual property as a part of this agreement.

SECTION I: PROJECT IMPLEMENTATION

Legal Authority: The Recipient certifies with respect to this agreement that it possesses the legal authority to receive the funds to be provided under this agreement and that, if applicable, its governing body has authorized, by resolution or otherwise, the execution and acceptance of this agreement with all covenants and assurances contained herein. The Recipient also certifies that the undersigned possesses the authority to legally execute and bind Recipient to the terms of this agreement.

Not Operational within 60 and 90 Days: If a project is not operational within 60 days of the original start date of the award period, the Recipient must report by letter to the Department the steps taken to initiate the project, the reasons for delay, and the expected start date. If a project is not operational within 90 days of the original start date of the award period, the Recipient must submit a second statement to the Department explaining the implementation delay. Upon receipt of the 90-day letter, the Department shall determine if the reason for delay is justified or shall, at its discretion, require additional project documentation and justifications throughout the award period. The Department will also require the Recipient provide a revised project timeline that includes all anticipated project activities, tasks, and estimated completion date(s).

SECTION II: PAYMENTS

Obligation to Pay: The State of Florida's obligation to pay under this agreement is contingent upon an appropriation by the Legislature.

Overpayments: Any funds paid in excess of the amount to which the Recipient is entitled under the terms and conditions of the agreement must be refunded to the Department. Any balance of unobligated cash that has been paid and has not been authorized to be retained for direct program costs in a subsequent period must be refunded to the Department.

Advance Funding (Drone Program Only): Advance funding may be provided to a Recipient upon completion and submission of the following to the assigned FDLE Grant Manager: (1) a completed "Compliant Drone Cash Advance Request" form, (2) a valid, executed Purchase Order, and (3) vendor quote(s) for the compliant drone. The request form must be signed by the Chief Official. Advanced funds must be spent on drone purchase within 30 days of receipt. In order to reconcile the Cash Advance, the Recipient must provide the invoice and proof of payment for the compliant drone to the assigned FDLE Grant Manager within 45 days of the receipt of the advanced funding. Should extenuating circumstances arise which prevent the expenditure of advance funds within 30 days of receipt, or the provision of required documentation to reconcile the funds, a written request to retain the funds must be provided by the Recipient and approved by the Department. Failure to provide documentation will result in a refund of any advanced funding.

SECTION III: PROJECT AND GRANT MANAGEMENT

Personnel Changes: The Recipient must notify the FDLE grant manager of any change in the Chief Officials or Project Director or any change in contact information, including mailing address, phone number, email, or title change.

Award #:
CSFA: 71.092

All payments must be completed within thirty (30) days of the end of the grant period of performance.

Financial Management: The Recipient must have a financial management system able to record and report on the receipt, obligation, and expenditure of grant funds. An adequate accounting system must be able to separately track receipts, expenditures, assets, and liabilities for awards, programs, and subrecipients. The Recipient shall maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices. Recipient must have written procedures for procurement transactions.

Travel: Cost for travel shall be reimbursed at the Recipient's travel rate, but the maximum reimbursement for each type of travel cost shall not exceed rates established in State of Florida Travel Guidelines, §112.061, F.S.

If the Recipient subcontracts any or all of the work required under this agreement, the Recipient must provide a completed DFS-A2-NS (Recipient-Subrecipient vs. Vendor Determination) form and a copy of the executed subcontract within thirty (30) days after execution of the subcontract. The Recipient agrees to include in the subcontract that (i) the subcontractor is bound by all applicable state and federal laws and regulations, and (ii) the subcontractor shall hold the Department and Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this agreement, to the extent allowed and required by law.

Grant Adjustments: Recipients must submit a Request for Grant Adjustment to the FDLE grant manager for substantive changes such as: scope modifications, changes to project activities, target populations, service providers, implementation schedules, project director, designs or research plans set forth in the approved agreement, and for any budget changes affecting a cost category that was not included in the original budget. Recipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval, as long as the funds are transferred to an existing line item. Adjustments are required when there will be a transfer of 10% or more of the total budget between budget categories. Under no circumstances can transfers of funds increase the total award. In addition, the Recipient must agree through appropriate contract or grant agreement amendment to inform the agency of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Recipient.

Civil Rights: The Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.) and shall not discriminate against any employee (or applicant for employment) in the performance of this agreement because of race, color, religion, sex, national origin, disability, age, or marital status. These requirements shall apply to all contractors, subcontractors, subgrantees or others with whom it arranges to provide services or benefits to clients or employees in connection with its programs and activities.

E-Verify: The Department shall consider the employment by any contractor of unauthorized aliens a violation of section 274(e) of the Immigration and Nationalization Act. Such violation shall be cause for unilateral cancellation of this contract. Pursuant to F.S. 448.095, the Contracting Party and any subcontractors are required to register with and use the E-Verify system operated by the U.S. Department of Homeland Security beginning on January 1, 2021. If a public employer has a good faith belief that the subcontractor has violated these requirements, but that the Contracting Party has otherwise complied, the public employer must notify the Contracting Party to terminate its contract with the subcontractor. A party may challenge a contract termination in accordance with these requirements. A penalized Contractor is prohibited from obtaining another contract with a public employer for at least one year.

Background Check: Whenever a background screening for employment or a background security check is required by law for employment, unless otherwise provided by law, the provisions of Chapter 435 F.S., shall apply. All employees in positions designated by law as positions of trust or responsibility shall be required to undergo security background investigations as a condition of employment and continued employment. For the purposes of the subsection, security background investigations shall include, but not be limited to, employment history checks, fingerprinting for all purposes and checks in this subsection, statewide criminal and juvenile record checks through the Florida Department of Law Enforcement, and federal criminal record checks through the Federal Bureau of Investigation, and may include local criminal record checks through local law enforcement agencies.

It is expressly understood that the Recipient's failure to comply with this provision shall constitute an immediate breach of contract, for which the Department may unilaterally terminate this agreement.

Award #:
CSFA: 71.092

Independent Contractor, Subcontracting and Assignments: In performing its obligations under this agreement, the Recipient shall at all times be acting in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida. Neither the Recipient nor any of its agents, employees, subcontractors or assignees shall represent to others that it is an agent of or has the authority to bind the Department by virtue of this agreement, unless specifically authorized in writing to do so.

Timely Payment of Subcontractors: To the extent that a subcontract provides for payment after Recipient's receipt of payment from the Department, the Recipient shall make payments to any subcontractor within 7 working days after receipt of full or partial payments from the Department in accordance with §287.0585, F.S., unless otherwise stated in the agreement between the Recipient and subcontractor. Failure to pay within seven (7) working days will result in a penalty that shall be charged against the Recipient and paid by the Recipient to the subcontractor in the amount of one-half of one percent (.005) of the amount due per day from the expiration of the period allowed for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15%) percent of the outstanding balance due.

Notice of Legal Actions: The Recipient shall notify the Department of potential or actual legal actions taken against the Recipient related to services provided through this agreement or that may impact the Recipient's ability to complete the deliverables outlined herein, or that may adversely impact the Department. The Department's Grant Manager will be notified within 10 days of Recipient becoming aware of such actions or potential actions or from the day of the legal filing, whichever comes first.

Property: In accordance with 287.05805, F.S., any State funds provided for the purchase of or improvements to real property are contingent upon the Recipient granting to the State a security interest in the property at least to the amount of the State funds provided for at least five (5) years from the date of purchase or the completion of the improvements or as further required by law.

SECTION VI: RECORDS, AUDITS, AND INFORMATION SECURITY

Records Retention: Retention of all financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this agreement shall be maintained by the Recipient during the term of this agreement and retained for a period of five (5) years after completion of the agreement or longer when required by law. In the event an audit is required under this agreement, records shall be retained for a minimum period of five years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this agreement, at no additional cost to the Department. Upon demand, at no additional cost to the Department, the Recipient will facilitate the duplication and transfer of any records or documents during the term of this agreement and the required five (5) year retention period. No record may be withheld, nor may the Recipient attempt to limit the scope of any of the foregoing inspections, reviews, copying, transfers or audits based on any claim that any record is exempt from public inspection or is confidential, proprietary or trade secret in nature; provided, however, that this provision does not limit any exemption to public inspection or copying to any such record. These records shall be made available at all reasonable times for inspection, review, copying, or audit by State, or other personnel duly authorized by the Department.

Records Inspection: Pursuant to Section 216.1366, F.S., in order to preserve the interest of the state in the prudent expenditure of state funds, the Department shall be authorized to inspect the (a) Financial records, papers, and documents of the Contractor that are directly related to the performance of the Contract or the expenditure of state funds, and (b) Programmatic records, papers, and documents of the Contractor which the Department determines are necessary to monitor the performance of the Contract or to ensure that the terms of the Contract are being met. The Contractor shall provide such records, papers, and documents requested by the Department within ten (10) business days after the request is made.

Award #:
CSFA: 71.092

Monitoring: The Recipient agrees to comply with the Department's grant monitoring guidelines, protocols, and procedures; and to cooperate with the Department on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, site visits, and/or Florida Department of Financial Services contract reviews and Expanded Audits of Payment (EAP). The Recipient agrees to provide the Department all documentation necessary to complete monitoring of the award and verify expenditures in accordance with 215.971, F.S. Further, the Recipient agrees to abide by reasonable deadlines set by the Department for providing requested documents. Failure to cooperate with grant monitoring activities may result in sanctions affecting the Recipient's award, including, but not limited to: withholding and/or other restrictions on the Recipient's access to funds, and/or referral to the Office of the Inspector General for audit review.

Florida Single Audit Act (FSAA): The Recipient shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by The Office of the Inspector General (§20.055, F.S.). In the event that the Recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year, the Recipient must have a single audit or project-specific audit in accordance with §215.97, F.S. and the applicable rules of the Department of Financial Services and the Auditor General. In determining the state financial assistance expended in its fiscal year, the Recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Law Enforcement, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements. The schedule of expenditures should disclose the expenditures by contract/agreement number for each contract with the Department in effect during the audit period. All questioned costs and liabilities due the Department shall be fully disclosed in the audit report package with reference to the specific contract number. If the Recipient expends less than \$750,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of 215.97, F.S., is not required. In the event that the Recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Recipient's resources obtained from other than State entities). Pursuant to 215.97(8), F.S., state agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with §215.97, F.S. In such an event, the state awarding agency must arrange for funding the full cost of such additional audits. Any reports, management letters, or other information required to be submitted to the Department pursuant to this agreement shall be submitted within nine (9) months after the end of the Recipient's fiscal year or within 30 days of the Recipient's receipt of the audit report, whichever occurs first, unless otherwise required by Florida Statutes. Copies of financial reporting packages required by this agreement shall be submitted by or on behalf of the Recipient directly to each of the following:

Award #:
CSFA: 71.092

Recipient's Confidential and Exempt Information: By executing this agreement, the Recipient acknowledges that any information not marked as "confidential" or "exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to 215.985, F.S. The Recipient agrees that, upon written request of the Department, it shall promptly provide to the Department a written statement of the basis for the exemption applicable to each provision identified by the Recipient as "confidential" or "exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential. Any claim by Recipient of trade secret (proprietary) confidentiality for any information contained in Recipient's documents (reports, deliverables or work papers, etc., in paper or electronic form) submitted to the Department in connection with this agreement cannot be waived, unless the claimed confidential information is submitted in accordance with the following two paragraphs.

The Recipient must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Recipient shall include information correlating the nature of the claims to the particular protected information.

The Department, when required to comply with a public records request including documents submitted by the Recipient, may require the Recipient to expeditiously submit redacted copies of documents marked as trade secret in accordance with this section. Accompanying the submission shall be an updated version of the justification, correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that are claimed to be trade secret. If the Recipient fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.

SECTION VII: PENALTIES, TERMINATION, DISPUTE RESOLUTION, AND LIABILITY

Financial Penalties for Failure to Take Corrective Action: Corrective action plans may be required for noncompliance, nonperformance, or unacceptable performance under this agreement. Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.

Termination: The Department reserves the right to unilaterally cancel this agreement for refusal by the Recipient to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Recipient in conjunction with this agreement, unless the records are exempt pursuant to Article I, Section 24(a), of the Florida Constitution and §119.07(1), F.S. The Department shall be the final authority as to the appropriation, availability and adequacy of funds. In the event the Recipient fails to fully comply with the terms and conditions of this agreement, the Department may terminate the agreement upon written notice. Such notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, notice of termination will be issued after the Recipient's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the agreement. The Department's failure to demand performance of any provision of this agreement shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this agreement shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this agreement. The provisions herein do not limit the Department's right to remedies at law or in equity. The validity of this agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Recipient in this agreement, in any subsequent submission or response to Department request, or in any

submission or response to fulfill the requirements of this agreement, and such information, representations, and materials are incorporated by reference. The lack of accuracy thereof or any material changes shall, at the option of the Department and with thirty (30) days written notice to the Recipient, cause the termination of this agreement and the release of the Department from all its obligations to the Recipient. This agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this agreement shall lie in Leon County. If any provision hereof is in conflict with any applicable statute or rule, or is otherwise unenforceable, then such provision shall be deemed null and void to the extent of such conflict, and shall be deemed severable, but shall not invalidate any other provision of this agreement. No waiver by the Department of any right or remedy granted hereunder or failure to insist on strict performance by the Recipient shall affect or extend or act as a waiver of any other right or remedy of the Department hereunder, or affect the subsequent exercise of the same right or remedy by the Department for any further or subsequent default by the Recipient. Any power of approval or disapproval granted to the Department under the terms of this agreement shall survive the terms and life of this agreement as a whole. The agreement may be executed in any number of counterparts, any one of which may be taken as an original. In the event of termination, the Recipient will be compensated for any work satisfactorily completed through the date of termination or an earlier date of suspension of work.

Disputes and Appeals: The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and shall distribute its response to all concerned parties. The Recipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the Recipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The Recipient's right to appeal the Department's decision is contained in Chapter 120, F.S., and in procedures set forth in Fla. Admin. Code R.28-106.104. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S. After receipt of a petition for alternative dispute resolution the Department and the Recipient shall attempt to amicably resolve the dispute through negotiations. Timely delivery of a petition for alternative dispute resolution and completion of the negotiation process shall be a condition precedent to any legal action by the Recipient concerning this agreement.

Liability: Unless the Recipient is a state agency or subdivision, the Recipient shall be solely responsible to parties with whom it shall deal in carrying out the terms of this agreement, and shall save the Department harmless against all claims of whatever nature by third parties arising out of the performance of work under this agreement. For purposes of this agreement, Recipient agrees that it is not an employee or agent of the Department, but is an independent contractor. Nothing herein shall be construed as consent by a state agency of the State of Florida to be sued by third parties in any matter arising out of any contract. Nothing shall be construed affect in any way the Recipient rights, privileges, and immunities under the doctrine of "sovereign immunity" and as set forth in 768.28, F.S.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
