These Office Hours will provide information about those notifications and what you can expect over the next month from the Program.

**NOTE: Please do not forward this to residents. It is meant to provide an update for local government officials – forward as necessary to municipal contacts.**

You only need to attend one session as the information shared will be the same at both sessions:

 NOTICE OF INTEREST FORM REMINDER  
 FY 2025 FMA Program**

This announcement is intended for local government use only. Residents are not eligible to apply directly to FMA and should not submit a form.

This is a final reminder regarding the Fiscal Year (FY) 2025 Application Period for the Flood Mitigation Assistance (FMA) program. All subapplicants interested in submitting a subapplication for FMA must complete the NOI Form and submit it to the Non-Disaster Programs' email, [non-disasterprograms@em.myflorida.com](mailto:non-disasterprograms@em.myflorida.com), by 5 PM EDT on August 29, 2025.

**Grant:** Flood Mitigation Assistance  
**Cycle:** FY 2025

**Deadline:** August 29, 2025 at 5:00 PM (EDT)

**Submittal:** Email complete NOI Form to [non-disasterprograms@em.myflorida.com](mailto:non-disasterprograms@em.myflorida.com)

**Contact:** [Non-Disaster Programs](#)

Please note, you may submit your NOI form as soon as it is complete. Forms will be reviewed in the order they are received. The goal of the form is to help determine project eligibility and provide feedback for potential subapplications to reduce review time later. Submitting the NOI as early as possible will allow for more time to develop a complete subapplication. For more information or to access the NOI form online, please visit the FDEM [FMA webpage](#).

**Subject:** LMS Meeting for June 25, 2025 -- Please Confirm Attendance

Good afternoon,

An LMS meeting is proposed to be scheduled for Wednesday, June 25, 2025 at 1030 am in the Growth Services Building Training Room. This meeting is being held to replace the LMS meeting that was cancelled on June 4, 2025. The previous meeting was cancelled because all applications were not received in time for staff to conduct scoring and base ranking.

We have one action item for adopting a Priority Projects List and supporting applications and staff will also provide an update on the LMS Five Year Plan.

In order to confirm a quorum for this meeting, please respond to this email with whether you will be **“Attending”** or **“Not Attending”**. If we are unable to secure a quorum, staff will propose a new date during the same week.

Thank you,  
Rebecca

LMS Committee Members,

The DRAFT LMS Five-Year Plan has been compiled and is available for you review. We will be discussing the update at tomorrow's meeting in preparation for the impending transmittal to FDEM in the coming weeks. Please do not worry about trying to absorb everything by tomorrow. You will still have plenty of time for review and comment prior to our transmittal. We just wanted to make sure that you had access to the documentation prior to tomorrow. Please contact myself or Sarah Wells should you have any questions. The link below is to our share file system. Simply click on it and then sign in and you will have access to download all of the chapters.
