Dear Ms. Johnson,

St. Johns River Water Management District (District) staff have reviewed the City of Ocala comprehensive plan amendment 23-03ESR (CPTA23-45291) in accordance with the provisions of Chapter 163, Florida Statutes (F.S.). The amendment contains the City's water supply facilities work plan (WSFWP). Based upon review of the submitted materials, District staff have no comments on the proposed amendment. District staff appreciated the opportunity to coordinate with City representatives prior to transmittal of the proposed amendment and to provide feedback on the City's efforts to develop its WSFWP.

If you have any questions or need additional information, please contact me.

Sincerely,
Steve Fitzgibbons
