AGREEMENT FOR SUBORDINATION OF UTILITY INTERESTS

THIS AGREEMENT, made and entered into this _____ day of _____, _____, by and between the CITY OF OCALA, a Florida municipal corporation ("City"), and the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION ("FDOT").

WHEREAS:

- A. The City presently has interests in certain lands that have been determined necessary for a transportation facility; and
- B. The proposed use of the subject real property for a transportation facility requires subordination of the City's interest to the FDOT; and
- C. The FDOT is willing to pay to have the City's facilities located, protected, adjusted, relocated, or removed if necessary, to prevent conflict between the facilities so that the benefits of each may be retained.

NOW, THEREFORE, in consideration of the public welfare, mutual covenants contained herein, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties agree as follows:

- 1. Subordination of Utility / Easement Interests. City hereby subordinates to the interest of FDOT, its successors, or assigns, any and all interest the City has in the real property ("Property") described in the attached **Exhibit A.**

1.1 The interests of the City being subordinated hereby includes the interests created by the following instruments:

INSTRUMENT	DATE	FROM	TO	O.R. BOOK/PAGE
Easement	2/12/1993	F. Joe Krim Jr.	City of Ocala	1907/1717
Easement	7/24/1996	Mark III Industries	City of Ocala	2312/780
Easement	12/2/2009	NW 44 th Ave Partners LLC	City of Ocala	5290/112

2. The City shall retain all rights under the instruments identified above, provided, however, that the City's exercise of those rights shall be in accordance with the FDOT's standards as set forth in the FDOT's then-current Utility Accommodation Manual, and subject to the following provisions:
 - 2.1 The FDOT may require, for any present or future transportation facility project, that any City facilities be located, protected, adjusted, relocated, or removed as the FDOT determines is necessary (including the timing of any of such activities) to accommodate the transportation facility project. In the event that any such work is required by the FDOT, the FDOT hereby agrees to pay the all costs of such work, including, but not limited to, all costs, including any landowner condemnation attorney fees and other condemnation costs, if necessary, of acquiring easements comparable to the easements being subordinated herein, which may require additional easement area necessary to provide for sufficient clearance for aerial facilities and vegetation management zones. The work performed pursuant to this section 2.1 shall comply with the City's Design and Construction Standards for Electric Utility Facilities and the National Electrical Safety Code (ANSI Standard C2). Payment of the above shall not include any betterment¹ to the City. In the event that a condemnation action is necessary to acquire a substitute easement, the FDOT will file such action for the use and benefit of the City. And the FDOT shall have full authority over the proceedings.
 - 2.2 Any new construction or relocation of City facilities within the lands will be subject to prior approval by the FDOT, which shall not be unreasonably withheld. Should the FDOT fail to approve any new construction or relocation of facilities by the City or require the City to locate, protect, adjust, relocate or remove its facilities located within said lands, the FDOT hereby agrees to pay the all costs of such work, including, but not limited to, all costs, including any landowner condemnation attorney fees and other condemnation costs, if necessary, of acquiring easements comparable to the easements being subordinated herein. Payment of said costs shall not include any betterment to the City. In the event that a condemnation action is necessary to acquire a substitute easement, the FDOT will file such action for the use and benefit of the City and the FDOT shall have full authority over the proceedings.
 - 2.3 The FDOT acknowledges that the City is entitled to advanced review of the proposed construction of any other utilities within the lands described herein and that such utilities are required to obtain an FDOT permit which states that the new utility may not interfere with any existing utilities or with the City's rights set forth in the above referenced easements.
3. The terms of this Subordination Agreement shall supersede any contrary provisions within any utility permit issued to the City within the area of the lands described.
4. The City shall have a reasonable right to enter upon the lands described herein for the purposes outlined in Paragraph 2 above, including the right to trim such trees, brush, and growth which might endanger or interfere with the City's facilities, provided that such rights do not interfere with the operation and safety of the FDOT's facilities.

¹ "Betterment" is defined as any upgrading of facilities being relocated that is not attributable to the highway construction and is made solely for the benefit of and at the election of the City.

IN WITNESS WHEREOF, the FDOT has caused these presents to be executed by its duly authorized officer this ____ day of _____, _____.
