Subject: Your policy exception has been approved.
Date: Tuesday, January 24, 2023 11:33:37 AM

Your policy exception has been **approved**.

Approval Comments: This is approved as best approach. Gresco Utility Supply, Inc. (Gresco) was the only vendor capable of meeting lead times for construction and inventory needs. Line item E08030351 for Poles Concrete, 35' Type II St Light w/ Tenon had an award quantity of 61. After the order was placed in April of 2022, Warehouse staff was informed of a price increase request and lead time changes from the awarded vendor.

After the Warehouse staff received updated bids from all vendors who bid on item E08030351, Gresco was the only vendor who could meet the required lead time (4 weeks with Valmont poles). The 61 poles were split between two purchase orders (220389 and 220391) under Munis contract 220212. The exception for PO 220391 for 43 poles was approved on August 23, 2022. However, PO 220389 for the remaining 18 poles was inadvertently not included in the price increase exception request for PO 220391 and the resulting approval. All 61 poles have been ordered and supplied by Gresco who met their lead times and pricing based on the August 2022 figures. PLEASE ENTER A PURCHASE ORDER CHANGE ORDER UNDER PO 220389 SO RECEIVING CAN BE COMPLETED AND THE INVOICE PAID FOR THE POLES RECEIVED. CALENDAR MUNIS CONTRACT 220212 FOR CITY COUNCIL APPROVAL ON THE NEXT AGENDA AS \$455,498 HAS BEEN EXPENDED ON THIS CONTRACT.

Policy Exception for Best Value/Approach

Updated 1/24/23 after discussion with Mary: The exception request for a price increase below was approved for PO 220391. I am looking for the same approval for PO 220389 which was the second PO pertaining to item E08030351 contract 220212. The original order/award for item E08030351 was for a quantity of 61 that was split between two purchase orders: 43 on PO 220391 (site delivery) and 18 on PO 220389 (inventory).
