GAMETIME POLICIES

Specifications: Specifications were current at the time of publication. GameTime has an ongoing policy of product improvement and therefore reserves the right to modify specifications or discontinue products without notice.

Terms of sale: To governmental agencies and tax supported institutions, and those with approved credit, payment is due 30 days from the date of invoice. A 1.5% per month finance charge will be imposed on all past due accounts. We also accept payment by VISA, MasterCard or American Express. All other orders will require a 50% deposit at time of order entry. The balance will be due with a certified check upon receipt of shipment (C.O.D.).

Prices: Prices are F.O.B. factory and do not include freight charges. All prices were current at time of publication and quoted in U.S. Funds. Prices are subject to change without notice. Current prices will apply at the time of shipment. Due to the abnormally high cost of fuel and its impact on many of the materials used in our industry, quotations are valid for 30 days only and prices may be subject to material and fuel surcharges at time of shipment.

Freight charges: Freight charges are determined and collected by the carrier unless GameTime is requested and agrees to prepay and add these costs to the invoice.

Taxes: If applicable, taxes will be added to the invoice except when a tax exempt certificate is provided with the purchase order at the time of order entry.

Minimum Order: Our minimum order is US $50.00.

Order cancellation: Once accepted, orders can be canceled only with the consent of GameTime, and on terms which will indemnify GameTime against loss. Canceled orders will be subject to a restocking fee. Equipment “built-to-order” is non-cancelable.

Domestic shipments: Unless specifically given routing instructions on the purchase order, shipment will be made via the carrier we consider to be the most economical and practical in reaching the final destination.

Delays in transit: GameTime is not responsible for delays in transit and such delays shall not alter our invoicing terms.

Loss or damage in transit: GameTime is not responsible for loss or damage in transit. Carefully check all materials received; any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the carriers representative. Failure to note exceptions on the delivery receipt may impair your right to recovery from the car-

Weights: All published weights are estimated and include appropriate packing materials. Actual weights may vary slightly.
