Ocala Electric Utility

To whom it may concern,

Matt Culverhouse with Irby has asked me to confirm that S&C Electric and Irby have an Authorized Distributor agreement for the TripSaver II product. Irby is the only Authorized Distributor of the S&C TripSaver II product to utility customers in the central Florida region. S&C Electric and Irby have had this relationship in Florida since we introduced the TripSaver II product and it has served our customers well. Please let me know if you have any questions. You can reach me at (773) 620-8976 or [jordan.ehren@sandc.com](mailto:jordan.ehren@sandc.com)

Sincerely,

Jordan Ehren
