**TOTAL AGREEMENT AMOUNT \$ 99,828.32**

**NOTES:**

Price includes all material and labor to complete the requested flooring replacement. We will remove and dispose of the existing carpet and cove, scarify areas receiving LVT, prep all floors as needed for new flooring, and install new LVT and carpet throughout. The client will provide the carpet, carpet adhesive, and transitions; Cubix will provide all other items. The quote also includes freight, delivery, and full-time project management. Pricing is based on routine removal and floor prep - should moisture or any major issues be discovered, we will stop and discuss how to proceed. The quote includes furniture movement/lift; however, all electronics and personal items must be removed prior to installation. Work is planned primarily during off hours to limit workflow interruption. Material is calculated at 10% overage for cuts, waste, and attic stock. Cove base is not included, as the client will handle that internally.
