Dear Mr. Lee:

The Florida Department of Corrections, Office of the Inspector General, is comprised of 180 Investigators / Law Enforcement Inspectors for the entire State of Florida. These Inspectors conduct criminal investigations, internal affairs investigations and effect arrests of inmates, visitors, and employees.

The Bureau of State Investigations Unit provides a valuable service to the department and outside law enforcement agencies throughout Florida. Oftentimes, our Inspectors are called upon to support local and state law enforcement.

The purpose of this letter is to respectfully request your consideration in donating 4 vehicles that could be recycled to our agency. As with most agencies, we have been provided limited resources to purchase vehicles. The donation of any vehicles will help to ensure the Inspectors have the equipment necessary to complete their duties.

The Office of the Inspector General is requesting your assistance to continue our important mission, enhancing public safety. Any vehicle donated would stay locally in Ocala or in the Central Florida region and would be greatly appreciated.

Sincerely,

Jose Nunes, Inspector
