“I moved here from The Villages to get away from golf carts! The streets here are too narrow to safely accommodate golf carts. Parking will be a nightmare”

“I am disappointed this expansion does not include access to Midtown/Tuscawilla Park. The North side of SR 40 has been economically disadvantaged by vehicular traffic access for close to 40 years. This expansion unnecessarily omits access to Midtown/Tuscawilla Park.

Ted Schatt

“Good. Great idea! Please do it and add the midtown area”
