Dear Breah,

Please accept this letter as my formal designation for Erica Jones and/or Derek White to attend the COA Review Meeting scheduled for Thursday, May 2, 2024, at 4:00 p.m. on my behalf and serve as my proxy in my absence.

I apologize for not being available to attend the meeting as my daughter is graduating from college that weekend, and I will be leaving to attend her ceremony on the morning of the meeting. I truly appreciate your understanding in this matter.

Respectfully,

Brandie P Bennett
