Hello Sir,
My name is Laura Savino and I live off 44th Street in SW Ocala. We have so many proposed multi family developments from out of town and state developers. Our roads cannot handle it, our schools cannot handle it, our police department cannot handle it and we need help! Please help defend Ocala and say NO to these proposals. Any advice you can give and support would be greatly appreciated! We have petitions with almost 300 signatures. I am not the only one who feels this way. Please help us figure out how to stop this and honor the residents of Ocala and save our home! We don't want to live in South Florida!
