Applicant Answer: No

Declarations:

General Conditions It is expressly understood and agreed that the applicant shall be solely responsible for all safety conditions and compliance with all safety regulations, building codes, ordinances, and other applicable regulations. It is expressly understood and agreed that the applicant will not seek to hold the City of Ocala, the Grant Review Committee (Committee) and/or its agents, employees, board members, officers and/or directors liable for any property damage, personal injury, or other loss relating in any way to the Program. It is expressly understood and agreed that the applicant will hold harmless the City, its agents, officers, employees and attorneys for all costs incurred in additional investigation or study of, or for supplementing, redrafting, revising, or amending any document (such as an Environmental Impact Report, specific plan, or general plan amendment) if made necessary by said proceeding and if the applicant desires to pursue such approvals and/or clearances, after initiation of the proceeding, which are conditioned on the approval of these documents. The applicant authorizes the City of Ocala to promote any approved project including but not limited to displaying a sign at the site, during and after construction, and using photographs and descriptions of the project in City of Ocala materials and press releases. If the applicant fails to perform the work approved by the Committee, the City reserves the right to cancel the grant. The applicant also understands that any work started/completed before the application is approved by the Committee is done at their own risk, and that such work will jeopardize their grant award. Completion of this application by the applicant DOES NOT guarantee that grant monies will be awarded to the applicant.

Terms & Conditions

Contract

THIS FENCING CONTRACT (Contract), effective as of the date of the last party to sign below, is between Getter Done LLC D/B/A Getter Done Fence, having an address at 2500 NW 6th st suite 105, Ocala FI. 34475 and Jody Talmadge and having an address at 837 NE 2nd StOcalaFL34470 ("Owner")

For valuable Consideration the parties hereby agree as follows:

- 1. SCOPE OF WORK: Fencing is the use of chain link, wrought iron, aluminum, vinyl or wood materials to construct, erect, alter, or repair all types of fences, corrals, runs, railings, cribs, game court enclosures, guard rails, barriers and gates. Fencing services include Fence Installation. Contractor shall provide all necessary fencing labor and materials, perform all fencing services described above and/or as set forth in the plans and specifications signed by Owner and Contractor. ("Project") Such plans and specifications are hereby made a part of this contract and may contain pictures, diagrams or measurements of the work area together with a description of the work to be done, materials to be used and the equipment to be used and installed.
- 2. WORK SITE: The project shall be constructed on property of Owner located at 837 NE 2nd StOcalaFL34470. Owner hereby authorizes Contractor to commence and complete the usual and customary excavation and grading on the Work Site as may be required in the judgment of the Contractor to complete the Project. Unless called for in the plans of specifications, no landscaping or finish grading is to be performed at the work site by the Contractor.
- 3. TIME OF COMPLETION: Contractor shall commence the work to be performed under this contract and estimates that it shall substantially complete the work on or before the agreed upon time frame. Owner and Contractor understand that the completion date provided for herein is anestimate only and that Contractor shall not be responsible for circumstances beyond its control including strikes, acts of God, illness, injury or general unavailability of materials.
- 4. PERMITS: Contractor shall apply for and obtain such permits and regulator approvals as may be required by the local Municipal/County Government, the cost thereof shall be included as part of the Project price.
- 5. SURFACE AND SUBSURFACE SOIL CONDITIONS: Contractor shall have no responsibility for the condition of the soils at the work site, including but not limited to unseen subsurface rock or other conditions that may make digging or post installation more difficult, timely or expensive. The Parties hereto agree that should contractor need to perform any excavation, drilling, jackhammering, filling or other work in order to complete the project, other than the usual and customary excavation and grading, that the Parties shall agree to a change order for an amount in addition to the Contract price before the work continues.

Contractor shall not be responsible for any damages suffered by Owner as a result of the soil conditions at the work site.

- 6. WATER SPRINKLER HEAD AND LINE DAMAGE: Contractor shall not be liable for any damage to Owner's lawn and/or water sprinkler heads and/or water sprinkler lines as of the result of the work performed by Contractor for Owner under this agreement.
- 7. SPOILED DIRT: Contractor shall not be responsible for removing spoiled dirt from the property at the conclusion of the project. The term spoiled dirt is understood by the Parties to mean the existence of excess dirt that was removed from the ground and accumulated on Owner's property as a result of the installation of the fence product contemplated by this Agreement.
- 8. CONTRACTOR'S RIGHT TO CANCEL: The Parties agree and understand that in some circumstances fence lines will need to be moved due to the location of underground utilities. Should this become necessary and the Owner is unwilling or unable to move the fence line and therefore prohibits Contractor from being able to complete the project, the Contractor shall be entitled to terminate the contract and is entitled to payment for work performed and the cost of materials up to including the date of contract termination.
- 9. NO WARRANTY FOR WOOD: The Parties agree and understand that wood is an organic substance that can rot or warp. As such, Contractor makes no warranties or promises with respect to wood warping, wood condition, wood rot or other

Ref #3368 Page 5 of 11

expected wood issues which occur naturally as a result of the warm and humid Florida environment.

- 10. PROPERTY LINE EASEMENT RESPONSIBILITIES: The Parties understand and agree that Contractor is relying on Owner to identify and mark Owner's property line and/or the existence of any easement or other covenant boundaries on Owner's property. The Parties agree that Contractor shall not be liable in the event that the fencing work contemplated by this Agreement encroaches on any such boundaries.
- 11. DAMAGE TO UNDERGROUND UTILITIES: The Parties agree that Contractor shall not be liable for damage to any non-marked underground private utilities including but not limited to, water mains, electrical lines, etc.
- 12. INSURANCE: Contractor shall maintain general liability and worker's compensation insurance as well as builder's risk insurance, if applicable.
- 13. SURVEY AND TITLE: If the project is near the Owner's property boundary, Owner will point out property lines to the Contractor. If the Owner or Contractor has any doubt about the location of the property lines, Owner shall provide Contractor with boundary stakes through a licensed surveyor. In addition, Owner shall provide Contractor documentation that Owner has title to the work site and shall provide Contractor copies of any covenants, conditions or restrictions that affect the work site.
- 14. CHANGES TO SCOPE OF WORK: Owner may make changes to the scope of the work, including changes to the plans and specifications, from time to time during the construction of the Project. However, any such change or modification shall only made by a written "Change Order" signed by both parties. Such Change Orders shall become part of this Contract. Owner agrees to pay any increase in the cost of the Project as a result of a Change Order. In the event the cost of a Change Order is not known at the time a Change Order is executed, the Contractor shall estimate the cost thereof and Owner shall pay the actual cost whether or not it is in excess of the estimated cost.
- 15. CONTRACT PRICE: Owner agrees to pay Contractor the sum total of the project amount for performing the services outlined in the scope of work. Contractor shall be paid as follows: 50% due at singing 50% due at completion. Contractor shall furnish Owner appropriate releases of waivers of lien for all work performed or materials provided at the time the next periodic payment shall be due.
- 16. LATE PAYMENT/ DEFAULT: A failure to make payment for a period in excess of ten (10) days from the due date shall be deemed a breach of this Contract. If payment is not made when due, Contractor may suspend work on the job until such time as all payments due have been paid in full and without breach of the Contract pending payment or resolution of any dispute. Owner agrees to pay late charge of one percent (10%) of all payments that are more than ten (10) days late plus interest at the rate of one percent (10%) per month.
- 17. DESTRUCTION AND DAMAGE: If the project is destroyed or damaged for any reason, except where such destruction or damage was caused by the sole negligence of the Contractor or its Subcontractors, Owner shall pay Contractor for any work done by Contractor in rebuilding or restoring the Project to its condition prior to such destruction or damage. If the estimated cost of replacing work already accomplished by Contractor exceeds twenty percent (20%) of the Contract price, either the Contractor or the Owner may terminate this Contract. Upon termination by either party, Contractor shall be excused from further performance under the Contract and Owner shall pay Contractor a percentage of the Contract price in proportion to the amount of work accomplished prior to the destruction or damage.
- 18. ASSIGNMENT: Neither party may assign this Contract or payments due under the Contract without the other party's written consent.
- 19. SPECIFICATIONS SHALL CONTROL: The Contract, plans and specifications are intended to supplement one another. In the event of a conflict, the specifications shall control the plans, and the Contract shall control both. If the work as displayed on the plans are not called for in the specifications, or if the work is called for in the specifications but not displayed on the plans, Contractor shall be required to perform the work as though it was displayed in both documents.
- 20. MERGER CLAUSE: This Contract constitutes the entire agree of the parties. No other agreements, oral or written pertain to the work performed under this Contract exists. This Contract may only be modified by written agreement signed by both parties.
- 21. GOVERNING LAW: This Contract shall be interpreted and governed in accordance with the laws of the State of Florida.
- 22. VENUE: Venue for any dispute concerning this Contract or the work performed hereunder shall be in Ocala, Marion County, Florida.

Ref #3368 Page 6 of 11

23. ATTORNEY FEES: Should any dispute arise with respect to this contract or the work performed hereunder, the prevailing party in any such proceeding shall be entitled to reasonable attorney fees and court costs, including fees and costs on appeal.

Florida Construction Lien Law Disclosure

ACCORDING TO FLORIDA'S CONSTRUCTION LIEN LAW (SECTIONS 713.001-713.37, FLORIDA STATUTES, THOSE WHO WORK ON YOUR PROPERTY OR PROVIDE MATERIALS AND SERVICES AND ARE NOT PAID IN FULL HAVE A RIGHT TO ENFORCE THEIR CLAIM FOR PAYMENT AGAINST YOUR PROPERTY. THIS CLAIM IS KNOWN AS A

FENCE & RAIL

LIMITED WARRANTY

HOMELAND VINYL PRODUCTS, INC FENCE AND RAIL LIMITED WARRANTY

WHO AND WHAT ARE COVERED BY THIS WARRANTY

This warranty is given to (1) the original purchaser, or (2) the owner(s) of the property at the time of installation, if different from the original purchaser (collectively, the "Purchaser") of vinyl fence and rail profiles manufactured by Homeland Vinyl Products, Inc. ("Homeland Vinyl"). For purposes of this warranty, a "Residential Purchaser" shall refer to a single-family residential homeowner and a "Commercial Purchaser" shall refer to any Purchaser other than a Residential Purchaser. Subject to the exclusions and limitations set forth herein, Homeland Vinyl warrants to the Purchaser that its vinyl fence and rail profiles (the "Products") will be free from manufacturing defects – including peeling, flaking, blistering, rotting and corroding – when subject to normal and proper use.

WARRANTY PERIOD

The warranty period is for the life of a residential purchaser (30 years for a Commercial Purchaser). The warranty automatically terminates upon the sale of the property or death of the Purchaser.

WARRANTY REMEDIES

Should any covered defect occur during the warranty period, Homeland Vinyl will, at its option, repair or provide replacement Products for the defective Products. In lieu of repair or providing replacement Products, Homeland Vinyl also reserves the right to refund the amount paid by the Purchaser for the original Products and such refund shall fully discharge all obligations and liabilities of Homeland Vinyl under this warranty. In no event shall Homeland Vinyl be liable or responsible for labor charges or other expenses arising from or related to the installation or removal of either the original or replacement Products.

WARRANTY EXCLUSIONS

This warranty covers only manufacturing defects in material or workmanship of Homeland Vinyl and, without limitation, does not include any failure, defects, expenses, or damages attributable to:

Failure to provide reasonable and necessary maintenance;

Improper installation (including inadequate reinforcement of finished products);

Bowing of pickets (Refer to Homeland Vinyl Products' Fence Fabrication Guideline for ways to reduce the natural tendency for fence panels to bow due to heat buildup);

C1141-RevB 20-072 - POP

Continued Inside

Distortion due to exposure to heat sources, including but not limited to building or pavement heat build-up, outdoor grills, and reflected sunlight from windows, doors or other surfaces:

Color change due to normal weathering. Normal weathering is defined as exposure to sunlight and extremes of weather and atmosphere that will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains. When sunlight is partially blocked by a roof, trees, awnings or the like, uneven weathering may occur. Homeland Vinyl shall have sole discretion to determine, based on reasonable criteria, whether the Products are undergoing normal weathering;

Color or pattern variation on any variegated Products;

Color or pattern variation between any replacement Products and remaining original Products. Homeland Vinyl reserves the right to discontinue or modify any product line or color without notifying the Purchaser. If the original Product is not available, Homeland Vinyl may choose to provide replacement Products of equal value or quality;

Discoloration or other damage caused by air pollution, mildew, exposure to chemicals (including, but not limited to sunscreens, insect repellants, acids or bases, rust, lime, fertilizers, herbicides, or solvents);

Misuse, abuse, neglect or improper shipping, handling or storage;

Damage caused by horses or other large animals;

Use of accessories or other components which are incompatible with the Products;

Movement, distortion, settling or collapse of the ground or structure on which the Products are installed;

Impact of foreign objects, fire, earthquake, flood, lightning, tornado, hail or other casualty or act of God;

Damage caused by other circumstances and causes beyond Homeland Vinyl's control;

Any other cause not involving manufacturing defects in the Products.

This warranty does not apply to any Product which has been painted, varnished, or on which any other substance not approved by Homeland Vinyl has been applied over the original finish.

REGISTRATION AND TRANSFER OF WARRANTY

To obtain coverage under this warranty, the warranty must be registered within thirty (30) days after completion of the installation of the Products. The attached registration card must be completed and returned along with proof of purchase to: Homeland Vinyl Products, Inc., P.O. Box 170729, Birmingham, AL 35217-0729, Attn: Warranty

This warranty is not transferable, with the following exception: The warranty may be transferred only by the original Purchaser and only one (1) time to a subsequent buyer of the property on which the Products were originally installed. Within thirty (30) days from the date of the transfer of the property, the original Purchaser shall deliver to Homeland Vinyl a written Application for Transfer of Warranty, along with proof of the original purchase of Homeland Vinyl products. During the first ten (10) years after the date of original installation of the Products, a duly transferred warranty shall remain in full force and effect as to all covered Products. After such ten year period, Homeland Vinyl's responsibility under such duly transferred warranty shall decrease by five percent (5%) per year. At no time, however, shall Homeland Vinyl's responsibility under this warranty be less than ten percent (10%) of the original Purchaser's price for the Products. Time is of the essence, and failure to comply with the foregoing requirements will terminate this warranty and relieve Homeland Vinyl of any further obligation under this warranty.

WHAT THE PURCHASER MUST DO

A claim under this warranty must be reported in writing, with proof of purchase, to Homeland Vinyl Products, Inc., P.O. Box 170729, Birmingham, AL 35217-0729, Attn: Warranty Department within thirty (30) days of the date that the defect is first discovered or reasonably could have been discovered. Purchaser must include proof of purchase, copy of government issued photo ID, proof of property ownership, registered warranty certificate number, and a statement describing the claimed defect. Homeland Vinyl may request additional information. Homeland Vinyl will then have a reasonable time to inspect or, at Homeland Vinyl's option, to have the product or a sample of the product shipped at the Purchaser's expense to Homeland Vinyl for inspection and analysis of the claimed defect. Homeland Vinyl shall be the sole judge of whether the product is defective and whether the defect is due to manufacturing.

If Homeland Vinyl determines that the claim is within the terms of this Limited Warranty, then Homeland Vinyl will, at its option, provide replacement Products or provide a purchase price refund for the Product under the terms and limitations described herein. In the event of repair or replacement, the original warranty shall apply to the repaired or replaced portion of the Products, and will extend for the balance of the warranty period in effect at the time the material proved defective.

This warranty is effective for purchases of Products on or after April 11, 2020.

After Purchase Vinyl Care:

Follow proper installation instructions.

Avoid exposure of any vinyl to unusual or excessive heat sources (e.g., outdoor fire pits, grills, glass window or glass door reflections) or installation adjacent to areas that may absorb heat such as concrete, asphalt, or dark-colored gravel.

Darker colors, such as Mocha Walnut, may become hot to the touch after prolonged exposure to direct sunlight. This effect can be mitigated with umbrellas, awnings or other shade producing fixtures.

Loose dirt can be cleaned with mild soap and water. Any cleaning products should be tested in an inconspicuous area before being applied on the full vinyl surface.

Do NOT paint the PVC.

Spray-on sunscreen or bug spray products may cause discoloration of the product surface. It is recommended that such products be applied either indoors, off the deck, away from fence and rail, or in such a manner that oversprayed product will not come in contact with the vinyl.

Avoid using rubber mats on any vinyl, as they may discolor the deck surface.

Fence Fabrication Guidelines

- 1. Make sure all metal stiffeners are in the correct orientation for the rail as used.
- 2. Make sure all rails are notched.
- 3. U-channel trim must be screwed to the post to help stabilize T&G boards.
- 4. Do not use any clear wrapping or shrink wrap on fence for storage or transportation. Make sure any wrap or protection of the fence or profiles does not absorb and retain heat. It will cause warping.
- 5. Product expansion and contraction is temperature dependent and will vary more in longer lengths and darker colors. Please take this into account during installation.
- 6. Do not store or install product next to a heat source.

Toll Free: 800-999-6813 www.HomelandVinyl.com

2020-072 M1094_rev F

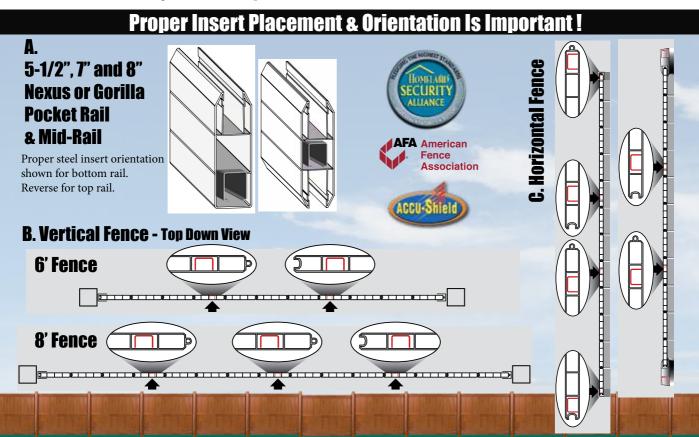

- 7. Avoid installing the product near reflective surfaces (e.g. glass windows and glass doors), which can concentrate sunlight and heat the product.
- 8. Avoid installing the product on or adjacent to concrete, asphalt, or dark-colored gravel.
- 9. Make sure rail ends have at least 1 inch clearance of each other when inserted into posts for 6' spans, and at least 1.5 inch clearance on 8' spans. This will allow for adequate expansion and contraction of rails within the posts and prevent bowing.
- 10. Do not put dirt or mulch against rails. It could cause rails to permanently bow out.
- 11. CAUTION Make sure pickets are cut for adequate clearance within the rail pocket to allow for thermal expansion. If the pickets are binding against the rail, they will cause excessive bowing with thermal expansion.

When dealing with installation on slopes, ensure that there is adequate clearance for pickets inside of the rail and cut picket at a slight angle if necessary.

In addition to guidelines 1-11, please consider the following information regarding Homewood series of products:

- 1. Metal stiffeners must be used in all rails for the Homewood series of product.
- 2. Midrail or HVP approved metal picket stiffeners must be used to reduce T&G bowing.
- 3. Scratches will be more evident in darker colors. Use caution when transporting and installing the products.

Homeland Vinyl Products does not warranty bowing of pickets. Please make sure of proper installation to reduce all of the factors mentioned.
