SECTION 82-151 STANDARD HOUSING CODE ADOPTED	STEPHANI SMITH	4/11/2025	6/29/2026			Please resolve any found Standard Housing violations located at this property. Restore utilities (such as electric) at the property. There must be a source of power for every outlet, fixture, wiring, and equipment. Cut and clear any overgrowth throughout the property. Either store away miscellaneous items stored to the rear of the property, or remove such items from off the property. Remove any sources of unsightly matter such as the pop-up gazebo with stretched tarp. Accessory structures shall be maintained and kept in good repair and sound structural condition (such as a shed's window being able to be opened and closed, the roof intact of a shed, etc). Remove the plywood off the front window and remedy the underlying issue (replacement of glass does not require a permit, but a replacement of a window does require a permit to serve as an example).

INSPECTIONS						
INSPECTION TYPE	INSPECTOR	SCHEDULED DATE	COMPLETED DATE	RESULT	REMARKS	NOTES
						On 04/11/2025, I have responded out to the listed location of 1911 NW 29th CT in reference to a citizen's complaint received about overgrowth, unsecured front door with the appearance of an abandoned home. The complainant has also advised to contact her, for she will allow the Code Enforcement into the rear of her property (at 1911 NW 29th CT). I have taken pictures of the front of 1911 NW 29th CT. While I did not observe an unsecured door at this time (the front door appeared to be secured and the gate leading into the carport was slightly ajar), I did observe a piece of plywood boarded across one of the front windows to the residence. In addition to this, the overgrowth towards the rear of the property was

INITIAL	SMS	4/11/2025	4/11/2025	NON COMPLIANT	visible from the R.O.W. I have them met with the complainant (Grace Helezer) at 1911 NW 29th CT. The complainant has granted me entry into the rear of her property to view the other violations pertaining to this residence. The violations discovered are also the confirmation of overgrowth, in addition to the accumulation of unsightly and unsanitary matter (such as miscellaneous items stored in totes, shopping carts, etc), a pop-up tent with a stretched canopy, an accessory structure with a piece of fabric or tarp covering a portion of the roof in addition to a piece of plywood adhered to the window of the shed, etc. The complainant has also provided a police case record (to which I have photographed and requested a copy of the record through the Ocala Police Department Records Division). If the police record is relevant to the matters occurring at the property, they will be attached when available. She also has mentioned that there were no active utilities at that location. I have verified through the City of Ocala Utility Department, and I have confirmed by telephone call that there are no active utilities at the residence. Amy, the customer service representative of the City of Ocala Utility Department, has informed me that both water and electric has been disconnected due to lack of payment on 03/13/2025. I have then attempted to make contact with the property owner of 1911 NW 29th CT by ringing the front doorbell and knocking on the door. However, no one has responded at the time of inspection. Therefore, a case card has been left behind at the residence. View attachments. CLTO generation assigned to Admin with Standard Housing checklist provided. A Follow-Up has been scheduled.

I have contacted customer service representatives Kat and Amy of the City of Ocala (Utility) Department, and they have confirmed that there is no active electric or trash service at this location. There appears to be scattered miscellaneous items to the rear of the property in addition to some overgrowth. Along with this, there is a blue tarp covering the roof of a shed to this property.
