

To the City Council of Ocala Florida

James Hilty Sr., Barry Mansfield, Ire Bethea, Sr. Kristen Dreyer, Jay Musleh

We, the below listed and signed residents, as nearby neighbors to the proposed multi family development on SE 31rd St and SE 24th Rd, hereby petition the Ocala City Council to deny the plan to construct 260 units on the 14 acre parcel. We would be negatively impacted by increased traffic, overcrowding schools, and challenges with entering and exiting our long-standing and existing residences and neighborhoods. Please deny this incompatible project.
