Subject: City of Ocala Early Voting

Florida Statutes 101.657 allows a municipality to have an Early Voting period that differs from the prescribed period designated for State and Federal Elections.

Assuming Early Voting is ONLY being offered at the Supervisor of Election's office and that it will only be open for eight (8) hours per day, I estimate each day of Early Voting will cost \$1,350.

Furthermore, I propose the City of Ocala conduct Early Voting for three (3) days. Beginning the Thursday immediately preceding the Election and concluding the Saturday immediately preceding the Election.

Thank you,

Wesley Wilcox, CERA
Supervisor of Elections
